HomeschoolED Heroes

Subject: Partnership Opportunity with HomeschoolED Heroes

Hello!

I hope this message finds you well. My name is Tamara Mayo, and I'm reaching out on behalf of HomeschoolED Heroes, a grassroots initiative dedicated to uplifting homeschooling families through innovative, culturally grounded education programs.

This year, we're preparing to host our inaugural **Children's Business Fair on July 12, 2025**—a hands-on event **at Ocean View Beach Park** where youth entrepreneurs showcase their ideas, products, and creative ventures to the community. We're also launching the **Connecting Young Innovators Community™**, which pairs local professionals and business owners with young learners for mentorship, skills development, and community-building.

We are currently seeking mission-aligned corporate sponsors and community partners to support these efforts. Your business plays an important role in our local ecosystem, and we'd be honored to collaborate. Whether through financial support, in-kind contributions, volunteer involvement, or mentorship, your participation would directly impact the next generation of creative thinkers and leaders.

As we are a non-profit organization with approved 501(c)(3) status, donations are tax-deductible and all supporters will be recognized across our event materials and social media promotions.

I'd love to schedule a brief call to explore how we can align our efforts. I've also attached a short overview of our programs for your reference.

Thank you for considering this opportunity to make a lasting difference in the lives of local families.

Warm regards,

Tamara Mayo

Why Your Support Matters

HomeschoolED Heroes is more than a program—it's a movement. Your donation helps us provide curriculum tools, community workshops, youth entrepreneurship training, and support systems for families navigating homeschooling without traditional support. We are transparent, mission-led, and deeply rooted in community.
