About Us

PT . Megadaya Maju Selaras is a company engaged in the field of Industrial Supply (General Trade Company), for items Mechanical, Electrical, Instrument & Engineering, and also construction equipment that was established in 2011 and located in Ciracas - East Jakarta.

Our Company focus is to provide the best service to supply engineering products and services for industry in Power Plant, energy, oil & gas, petrochemical and general industry. We as a professional team will provide the best solution to our Customer.

Currently, **PT. Megadaya Maju Selaras** has been trusted to provide services in various leading companies, and we are also supported by our business partners in various countries (Europe, Japan, USA, China, Korea) to help meet the needs of our customers. Our commitment to always meet the demands of clients, Customers and business partners is a challenge and must be accompanied by trust in Implementation.

We Plan Remain the Leader !!!

Company Activities

PT MEGADAYA MAJU SELARAS is a company engaged in the field of Industrial Supply (General Trade Company), for items Mechanical, Electrical, Instrument & Engineering, and also construction equipment

Mission Statement

Provide the best solution to our Customers, in helping customers to generate positive economic benefits while staying focused on their core business efficiency and operational productivity.

Core Beliefs

We believe in the basic philosophy, that is Believe & Commitment is the key to our service to clients, Customers and business associates. Our commitment to always meet the demands of clients, Customers and business partners is a challenge and must be accompanied by trust in Implementation.

We Plan Remain the Leader !!!

Specialization Spare parts Power plant

a. Electrical

- Digital Generator Transformer
- Communication Management Computer
- High Speed Busbar
- Carbon Brush
- Bush Holder
- Motor Vacuum Pump
- Relay
- Contactor
- Transducer
- Human Machine Interface

b. Instrument & Control

- Transmitter
- Flowmeter
- Positioner
- Power & Current Board
- SOR Pressure Switch
- Soot Blower Motor
- Solenoid Valve
- Control Valve
- Tubing & Piping
- Ignition Rod
- PLC Parts
- DCS Parts

c. Turbine

- Thrust Bearing
- Filter Element
- Pre Start Valve
- Pneumatic Drain Valve
- Gate Valve
- Electric Gate Valve
- HP Heater Safety Valve
- NBR Gasket
- End Plate

d. Boiler

- Grinding Mill
- Bearings
- Primary Air Fan
- Forced Draft Fan
- Induced Draft Fan
- Explosion Door
- Mechanical Seal
