

# FREE CHECKLIST: 10 AI HACKS FOR AFFILIATE NEWBIES (AUTOMATE YOUR FIRST \$1,000 IN 2025)

## 01. Hack Your Keyword Research (5 Minutes/Day)

**Tool:** ChatGPT + AnswerThePublic

**What to do:** Type “Find 10 low-competition keywords for [your niche] under \$50” into ChatGPT.

**Pro Tip:** Target keywords with “best,” “affordable,” or “how to” — they convert 3x better for affiliate content.

## 02. Write Blog Posts 5x Faster

**Tool:** Jasper or Canva Magic Write

**What to do:** Generate a blog outline with AI, then add 2 personal stories (e.g., “Why I bought this product”).

**Pro Tip:** Always edit AI drafts to include “I” and “you” for a human touch.

## 03. Turn 1 Blog Post into 30 Social Posts

**Tool:** Hootsuite AI or Publer

**What to do:** Paste your blog link into Hootsuite’s “AI Repurpose” feature. Instantly get captions, carousels, and Reels scripts.

**Pro Tip:** Add “Swipe up for my discount code!” to Stories for urgency.

## 04. Auto-Generate Product Review Templates

**Tool:** ChatGPT

**Prompt:** “Write a 500-word review template for [product] highlighting pros, cons, and a personal rating system.”

**Pro Tip:** Include screenshots of YOU using the product to boost trust.

## 05. Hack Your Keyword Research (5 Minutes/Day)

**Tool:** ChatGPT + AnswerThePublic

**What to do:** Type “Find 10 low-competition keywords for [your niche] under \$50” into ChatGPT.

**Pro Tip:** Target keywords with “best,” “affordable,” or “how to” — they convert 3x better for affiliate content.

## 06. Schedule Posts at Perfect Times (Hands-Free)

**Tool:** Metricool or Buffer AI

**What to do:** Let AI analyze your audience's activity and auto-schedule posts.

**Pro Tip:** Post Tuesdays at 10 AM and Fridays at 7 PM (highest affiliate click-through rates).

## 07. Create AI Visuals That Stop Scrollers

**Tool:** Canva Magic Media or MidJourney

**What to do:** Type "Create a bright, friendly Instagram post promoting [product]" into Canva.

**Pro Tip:** Add a "Swipe to see my results" before/after carousel.

## 08. Write Emails That Actually Convert

**Tool:** ChatGPT

**Prompt:** "Write a 3-email sequence for my affiliate newsletter, starting with a free tip, then a discount offer."

**Pro Tip:** Use AI to split-test subject lines like "The 3trickthatsavedme3trickthatsavedme100" vs. "Why I'll never buy [product] again."

## 09. Fix Boring Content in 60 Seconds

**Tool:** GrammarlyGO

**What to do:** Paste AI-generated text into GrammarlyGO and select "Make it engaging."

**Pro Tip:** Ask it to "Add a curiosity-driven hook" to your intro.

## 10. Track Your Earnings Without Math

**Tool:** Google Analytics + AI-Powered Predictions

**What to do:** Enable GA4's "Predictive Earnings" dashboard to see which content will likely convert in the next 7 days.

**Pro Tip:** Double down on posts with "high purchase probability" alerts.
