

CHAM AMER FARES

+971558234617

shammamamer@gmail.com

Date of birth: 26/10/2002

Gender: Female

Visa Status: 5-Year Golden Visa

LANGUAGES

1. **Turkish** (speaking, writing, and reading); **advanced**
2. **English** (speaking, writing, and reading); **advanced**
3. **Arabic** (speaking, writing, and reading); **native**

EDUCATION

- **2020 - NCS sharjah** - HIGH SCHOOL DEGREE with a 97.5% percentage
- **2022 - British applied college**

Pearson education (United Kingdom) - Higher national diploma in electrical and electronic engineering (MERIT grade)

- **2023 - British applied college**

Teesside University (UK) - Bachelor's in electrical and electronic engineering

TECHINICAL EXPERIENCES

- Managing my team of highly performing engineers to design, develop and test an excelling engineering mechatronic machine.
- Programmed an articulated robotic arm to perform industrial tasks
- Designed, developed and programmed a voice controlled light machine using Arduino UNO machinery
- Worked in depth on logic systems and developing boolean algebra, deductive and inductive reasoning, and sequential logic systems.
- Graduated a front-end developer certificate from Udacity, a course created by The 1 Million Arab Coders (1MAC) Initiative by His Majesty Sheikh Mohammad Bin Rashed
- Graduated a Full-stack web developer certificate from Udacity, a course created by The (1MAC)

- Worked in the educational robotics industry for 3 years and tutored robotics as well
- Coached a younger team that then won the FLL junior competition 2017
- Joined 6 International robotics competitions WRO, 3 VEX and 2 FLL and won 1 FLL and 2 VEX national competitions
- Worked as a government certified runner
- Joined the Startup Sharjah Competition by SPEA Where I received a full course in Business Administration and entrepreneurship skills

WORK EXPERIENCE
