## EAST MAAD

GENERAL CONTRACTING AND TRADING EST

**SAFETY IS NOT AN INTELLECTUAL EXERCISE TO KEEP US IN WORK. IT IS A MATTER OF LIFE AND DEATH. IT IS THE SUM OF OUR CONTRIBUTIONS TO SAFETY MANAGEMENT THAT DETERMINES WHETHER THE PEOPLE WE WORK WITH LIVE OR DIE.**

# Grow The Business

## **About Us:**

**East Maad General Contracting & Trading Est.**

**Your Trusted Partner for Safety Solutions**

We understand that safety is paramount in any industry. That's why we are committed to providing top-quality safety items that ensure the well-being and protection of your workforce. With a reputation built on trust, honesty, and excellence, we have become a leading supplier of safety products, catering to the diverse needs of our clients across various sectors.

## **Our Range of Safety Items:**

East Maad General Contracting & Trading Est. provides comprehensive safety solutions, including industrial helmets, safety goggles, cut-resistant gloves, steel-toe boots, high-visibility clothing, fall protection gear, respiratory masks, and hearing protection. We ensure every product meets the highest safety standards, offering reliable protection for diverse workplace needs.

## **Why Choose East Maad General Contracting & Trading Est. for Safety Items?**

East Maad General Contracting & Trading Est. offers a wide range of certified safety products, meeting international standards, at competitive prices. With expert support, timely delivery, and a commitment to excellence, we provide high-quality safety gear tailored to diverse industries. Trust us to help create a safer workplace—because safety is not just a requirement but a responsibility.

## **Our Commitment to Safety:**

East Maad General Contracting & Trading Est. is a trusted supplier of high-performance safety products, rigorously tested and certified for quality and durability. With honesty and transparency at our core, we provide tailored recommendations and competitive pricing to ensure the best value for your investment. We source from reputable manufacturers, guaranteeing compliance with international standards like OSHA, ANSI, and EN ISO, and offer superior protection through safety shoes, helmets, gloves, goggles, and more. Your safety is our priority, and we go beyond supplying products by offering expert advice, training, and after-sales support to create a secure and productive work environment.

# 2025 OUR RANGE OF SAFETY ITEMS:

## East Maad General Contracting & Trading Est.

offers a complete range of certified safety products, including industrial helmets, safety goggles, cut-resistant gloves, steel-toe boots, high-visibility clothing, fall protection gear, respiratory masks, earplugs, flame-resistant clothing, first aid kits, fire extinguishers, and work zone safety equipment like traffic cones and barriers. Each product meets international safety standards, ensuring reliable protection for diverse workplace needs.

## Future Planning at EMMAD.

At East Maad General Contracting & Trading Est., we are dedicated to continuous growth and innovation, focusing on expanding our product range with advanced safety technologies, adopting sustainable practices, and leveraging digital tools to enhance customer experience. Our vision includes global market expansion, employee development through training, and a commitment to eco-friendly solutions, ensuring we remain a leader in workplace safety while building a smarter, safer, and more sustainable future.

Safety helmets are an essential piece of protective gear designed to safeguard your head from potential injuries in various environments. They play a critical role in preventing severe head injuries, such as concussions, skull fractures, or even fatal accidents, by absorbing the impact of falls, collisions, or falling objects. Wearing a helmet is not just about compliance with safety regulations but also about taking personal responsibility for his well-being.

In high-risk settings like construction. Sites or while cycling, helmets provide a protective barrier against hazards, enhance visibility, and even protect against electrical shocks or harsh weather conditions. By wearing a helmet, Emaad can focus on his tasks with confidence, knowing he is taking a simple yet effective step to ensure his safety and set a positive example for others. Remember, Emaad, a helmet is a small investment that can save lives and prevent life-altering injuries—so always wear one!

### 3M Speedglas Flip Front Digital True Color Welding Helmet

Filter size: 110\*90 mm, light state, dark state 2, DIN9-13 for welding work power supply solar cells. Re-replaceable lithium battery Battery Model: CR2032 Usage welding
