# MEET YOUR HOST

Tamie Myers

Originally from Jamaica, I believe a home should be more than just a place to stay—it should be a sanctuary where you can rest, recharge, and feel genuinely at ease.

I created The Cape on Chatham with professionals, families, and travelers in mind—people who need a peaceful, fully equipped space that just works. No stress. No missing essentials. Just comfort and clarity.

Whether you're here for work, family, or a fresh start, I want this home to support you exactly where you are.

If you need anything during your stay, I'm just a call or email away.
