Introduction

About Us CEO

Muhammad Gemaseh is a purpose-driven entrepreneur and the visionary founder of PT Gema Prima Antara, an export-oriented agricultural company based in Aceh – Indonesia. With a profound dedication to promoting Indonesia’s rich biodiversity and empowering rural farming communities, he established the company with one clear mission: to introduce premium-quality Gayo Avocado and Salak Pondoh from Sumatra to the international stage. With a solid background in agricultural trade, rural development, and global supply chain management, Muhammad combines deep-rooted knowledge of traditional farming practices with modern export standards. His leadership has enabled PT Gema Prima Antara to expand its reach across key international markets while maintaining the authenticity and freshness of its products.

“We don’t just export fruits. We deliver stories from the soil, dedication from farmers, and the natural heritage of Indonesia — to every corner of the world.” — Muhammad Gemaseh
