SUNMI L2K

# SUNMI

PIONEERING INTELLIGENT COMMERCIAL  
TECHNOLOGY FOR A SMARTER WORLD.

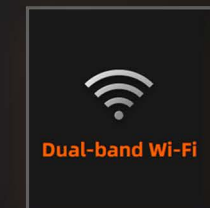

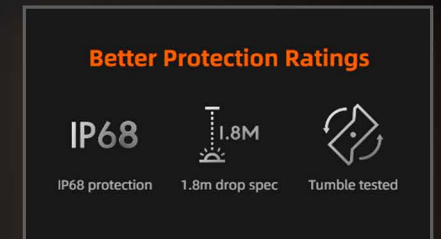

You can scan with no efforts in finding the **front scan button** since it is conspicuous, soft but water-resistant, and gives you tactile feedback.

A border has been added to the **power button** to protect it from accidental touch.

**Scan Buttons** on the front, left and right sides for different scan habits.

# L2K
