6 BEDROOM BEACHFRONT VILLA

6 Bedrooms | 12 Guests | 8 Bathrooms | Plot 1.873 m² | Built 964 m²

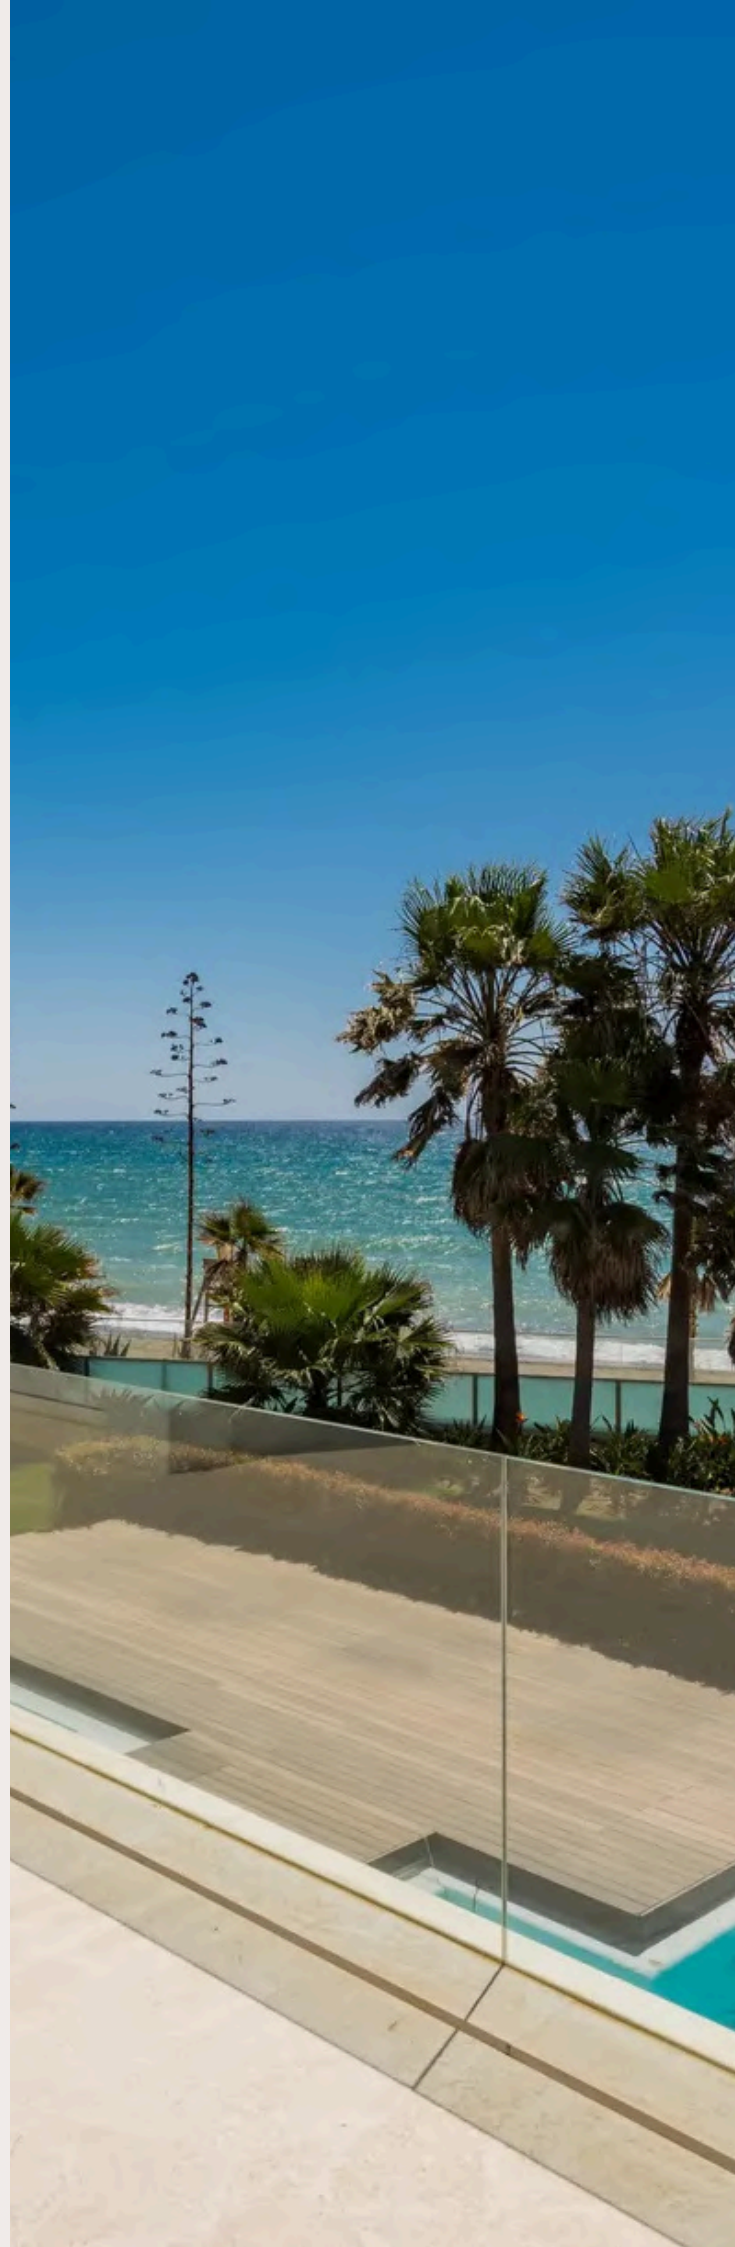

ABOUT THE VILLA

Set on Marbella's Golden Mile, this modern beachfront villa offers direct promenade access and panoramic Mediterranean views, close to Puente Romano and Puerto Banús while remaining private and self-contained.

Designed for open coastal living, full-height openings connect interiors to terraces, gardens, and pool areas, creating a seamless indoor-outdoor flow shaped by light and sea views.

The villa features six calm, en-suite bedrooms with minimalist styling, natural light, and views of the sea or tropical gardens. Interiors are understated and airy, with subtle Caribbean influence.

A heated pool, jacuzzi, and outdoor lounges support relaxed days by the water, while amenities such as a cinema room, gym, sauna, bar, and chef-ready kitchen make the villa ideal for extended stays, family groups, and discreet beachfront gatherings.

In the background, there are several tall palm trees and a low hedge. The sky is a clear, bright blue.

A CONTEMPORARY COASTAL VILLA

The villa enjoys a prime beachfront position on Marbella's Golden Mile, with direct access to the promenade that invites sunrise jogs, morning strolls, or relaxed sunset walks along the Mediterranean.

INDOOR OUTDOOR LIVING FOR FAMILIES

Full-height openings blend interiors with terraces, gardens, and the pool. Whether dining outdoors, resting in the shade, or waking to the sound of waves, guests enjoy a natural indoor-outdoor rhythm that defines beachfront living in Marbella.

MINIMALISTIC INTERIORS

The villa's minimalistic interiors use pale tones, natural textures, and expansive glazing to create a breezy, Caribbean-inspired softness. Spaces remain intentionally uncluttered, letting sea views, sunlight, and tropical gardens shape the home's atmosphere.
