A PRIVATE GARDEN ESTATE

Set on a private plot of over 8,000 sqm, the villa is surrounded by manicured lawns, mature trees, and open sea and hillside views. Shaded terraces, outdoor lounges, dining areas with barbecue facilities, and two swimming pools create a refined outdoor setting.

The gardens form calm, open spaces with generous lawns, stylish furniture, and areas for dining or retreat. Two swimming pools maximise views and privacy, supported by covered terraces for easy indoor-outdoor living.

The image shows a spacious, modern interior with a high ceiling featuring dark wooden beams. Large windows and glass doors offer a view of a lush green garden and a distant building. The interior is furnished with white sofas and wicker chairs, creating a clean and elegant atmosphere.

CONTEMPORARY MEDITERRANEAN ELEGANCE

A contemporary Mediterranean interior defined by symmetry, light, and restraint. Clean architectural lines are softened with natural textures, warm wood ceilings, and a neutral palette that creates a calm, timeless atmosphere.

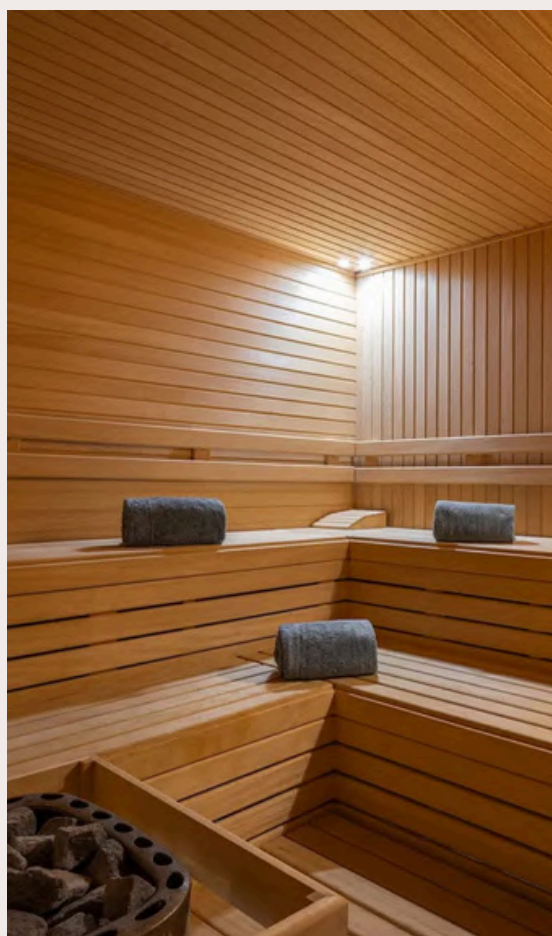

Minimalist yet inviting, the villa's design balances modern volumes with organic materials. Open-plan spaces, generous glazing, and carefully selected furnishings create a refined, serene, and quietly luxurious environment.

WELLNESS AND LEISURE AMENITIES

A curated collection of leisure and wellness amenities, including an indoor pool, gym, steam room, and sauna, complemented by a TV lounge, bar, and outdoor barbecue for relaxed social gatherings.

INTIMATE EVENTS WITH OPEN VIEWS

Within an expansive plot of over 8,000 sqm, the villa features approximately 900 sqm of flat lawn with open views, ideal for event setups, dining tables, and catering. Easy access and parking for small vans support smooth logistics, while the setting remains intimate and visually striking.

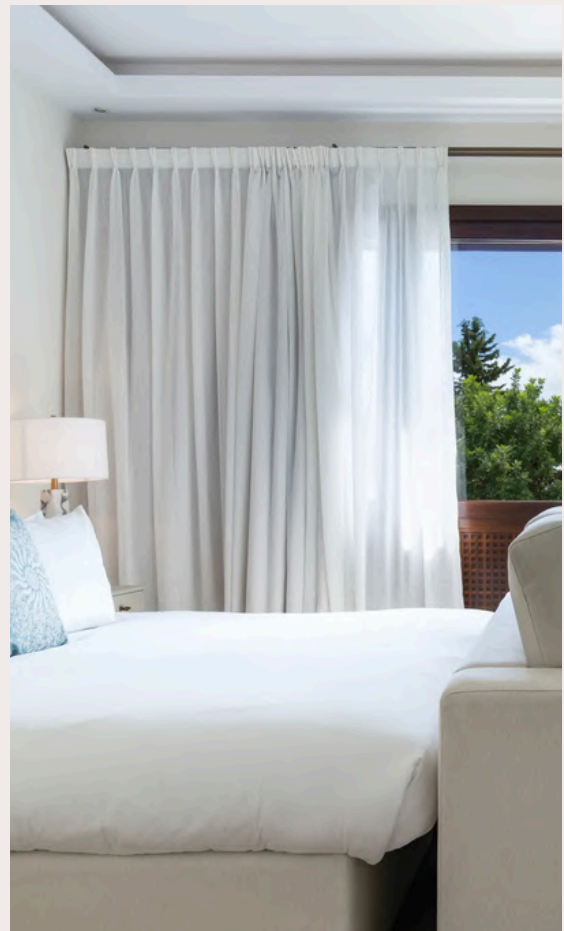

The image shows a bright, modern interior space, likely a living area, with a large floor-to-ceiling window. The ceiling features exposed wooden beams. The window looks out onto a balcony with a white railing, a wicker armchair, and a view of a blue ocean under a cloudy sky, framed by green trees. In the foreground, parts of two beds with patterned bedding are visible. A semi-transparent text box is overlaid on the lower half of the image.

6 STYLISH EN-SUITE BEDROOMS

The villa features 5 en-suite bedrooms in the main house, designed as calm private retreats with soft textures, warm materials, and natural light. A separate 1 en-suite bedroom in a private guest apartment offers added discretion and independence.

Clean lines and neutral tones create restful spaces, with select rooms opening onto terraces or garden and sea views. In some rooms, exposed wood beams add warmth, while generous proportions, thoughtful lighting, and refined finishes balance minimalist elegance with comfort throughout.
