sustainable & renewable resources
@NFK, we care.

NFK INTERNATIONAL was founded in 1994 becoming, during all these 30 years, one of the main made-in-Italy seating suppliers for the USA market. NFK INTERNATIONAL has a steady production established in Italy since 1997 which allows it to source the best design at the most competitive prices, to have a total control of the quality in each status of the manufacturing process and to offer the best custom-made solutions.
