# An Introduction to the Complaints Policy

The Governing Body is required by law (section 29 of the Education Act 2002) to establish procedures and publish those procedures for dealing with complaints relating to the school, or to the provision of facilities or services (unless the issue is covered by other legislation – see Appendix 3). **The Local Authority has no statutory authority to investigate our school complaints and complaints must be directed to the school.**

## 1. The difference between a concern and a complaint

A concern may be treated as an expression of worry or doubt over an issue considered to be important for which reassurances are sought.

The Governing Body uses the Local Government Ombudsman definition of what is a complaint. A complaint is

*‘An expression of dissatisfaction about a service that requires a response.’*

It is in everyone’s interest that complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to follow formal procedures. Schools should have procedures in place to take informal concerns seriously and make every effort to resolve the matter as quickly as possible. However, there will be occasions when complainants want to raise their concerns formally, in those cases, the formal complaints procedure will be followed.

## 2. Who can make a Complaint?

Any person who has a legitimate interest in the school may make a complaint. This will include pupils on roll at the school irrespective of their age, although normally a complaint from a pupil would come through a parent. This includes parents or carers of children no longer at the school and members of the public.

Unless complaints are dealt with under separate statutory procedures (see Appendix 3 pages 22 and 23), we will use this complaints procedure.

Where a person is not able to make a complaint himself or herself, a friend or other family member may do so on their behalf, but that person does not become the complainant. The Governing Body will not accept complaints from legal representatives.

**In accordance with administrative law principles, complainants will be given the opportunity to complete the complaints procedure in full, unless the school possess clear evidence that the complainant meets our serial and unreasonable complaints criteria.**

If that is the case and the complainant contacts the school again on the same issue, the correspondence may then be viewed as ‘serial’ or ‘persistent’ and the Governing Body may choose not to respond. However, the Governing Body **will not judge a complaint as ‘serial’ until the complainant procedure has been formally completed.**

The school has published a separate Serial and Persistent Complaints Policy and further details are provided on page 21 of this policy.

Anonymous complaints will not normally be investigated. However, the Head teacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

The Governing Body will ensure that any third party providers have their own complaints procedures in place if they are using school premises to offer services.

### 3. Purposes of the Complaints Procedure

The purpose of our Complaints Procedure is to provide a comprehensive, open, transparent, fair and timely vehicle through which:

- something that may have gone wrong can be identified, acknowledged and, where necessary, put right;
- an apology may be made where appropriate;
- the school and its senior management can, where appropriate, learn from the process, making it less likely that a similar complaint will be brought in the future.

A written record will be kept of all complaints along with details of how they were resolved following a formal investigation or progression to a panel hearing.

### 4. Publicising the Complaints Procedure

We will do this by:

- including the procedure and complaints forms on the school's web site, ensuring that it is easy to find;
- making copies of the procedure and the complaints forms available from the school as well the school website (clearly this will be easily accessible without a potential complainant being asked the reason why it is being requested).

### 5. Adopting the Complaints Procedure

The Governing Body formally adopts this policy each year and reviews the policy annually unless a review is required earlier.

An earlier review might be required earlier in the following circumstances:

- to take account of any changes to legislation or to reflect new local authority or government guidance;
- in the light of any recommendations from the Chair or a Review Panel arising from consideration of a complaint.

### 6. Timescales for complaints

We will aim to consider complaints as quickly and as efficiently as possible and any deviation from our published procedure will be recorded and communicated to the complainant.

The Governing Body has accepted the view of the Department for Education that a complainant should normally be expected to lodge their complaint **within 90 calendar days of the event being complained about**. The 90 calendar day limit has been established because investigation is more difficult after a period of time: memories may not be as clear as they would have been earlier, records may not be as readily available and witnesses may no longer be employed at the school. A delay in making a complaint may also

disadvantage any person who is the subject of it, making it more challenging for them to defend themselves for the same reasons.

In exceptional circumstances, the Chair of Governors, acting on behalf of the Governing Body, will consider complaints submitted outside this timeframe. In such instances the complainant will need to offer an explanation as to why there has been a delay in making a complaint.

Any decision made in this respect will aim to be lawful, rational, reasonable, fair and proportionate. It is for the school to decide what exceptional circumstances are.

Where a number of complaints are made in one letter of complaint, some of which lie outside the timeframe, the Chair of Governors will determine which complaints can be considered, taking account of their relevance to the substantive complaint or complaints made within the timescale.

If the complaint is received outside of term time, the calendar day timings for managing the complaint will start on the first school day after the holiday period.

Where it is clear that published timescales cannot be met, new time limits will be set and the complainant will be sent details of the new deadline and an explanation for the delay.

If other bodies are investigating aspects of the complaint, for example the police, LA safeguarding teams or tribunals, there may be an impact on the school's ability to adhere to timescales, or the procedure may have to be suspended until those investigations are complete.

If a complainant commences legal action in relation to their complaint, the procedure may have to be suspended until those proceedings have concluded.

Timescales for our complaints process are confirmed and summarised in Appendix 1.

## Preliminary stage – dealing with concerns informally

Before the formal processes are invoked every effort should be made to resolve matters informally. This is in line with Department for Education guidance. The Governing Body will ensure parents are made aware of how they can raise a concern through the governors' communication policy. An informal concern can be raised in person, in writing or by telephone. The school will aim to acknowledge an informal concern or complaint within 3 working days and resolve the informal concern (or complaint) within 10 working days.

Some issues are likely to be best resolved through discussion with a class teacher, Key Stage Leader or School Business Manager. In some cases, though, a person may feel the need to escalate the matter to the Head teacher.

Initially school staff below the level of Head teacher will seek to resolve matters through the provision of information and clarification. Where it is clear that there is a significant level of challenge, staff will refer the matter to the Head teacher as a cause for concern. The Head teacher will then seek to resolve the matter through discussion with those expressing concerns.

Whether attempts to resolve concerns at an informal stage are by telephone conversation or through meetings, school staff will take a note of any agreed action points and summarise these at the end of the conversation. The agreed action points will be circulated promptly to those involved in the discussion if that was agreed at the meeting.

**The formal Complaints Procedure will not normally be accessed unless the Head teacher has first been given the opportunity to discuss the matter with the complainant, either by telephone or, preferably, in person.**

Where the Head teacher is unable to resolve matters through discussion, the parent will be asked if they wish to make a formal complaint to the Head teacher. This complaint should be made in writing using the formal School Complaints Form at the end of this document and available on the school website and from the school office.

# Part 1 – Making a formal complaint to the Head teacher

## The procedure

1.1 The procedure for making a formal complaint requires a complainant to complete, and to submit, a Complaint Form and to do so within **90 calendar days** of the issue about which they are complaining. If the complaint is received outside of term time, the calendar day timings for managing the complaint will start on the first school day after the holiday period.

1.2 The Head teacher will record the date the complaint is received and acknowledge receipt of the complaint form in writing within **3 school days** and investigate the matter so that the complainant receives a formal written response within **10 school days**. On occasion, the complaint may be too complex to investigate within this timescale and, in these circumstances, the Head teacher will write to the complainant explaining why it is not possible to work within the timescales laid down and to advise when a response will be issued. The Head teacher may delegate the complaint to another member of the senior leadership team, but not the decision to be taken.

1.3 If the complaint is against the Head teacher, the complaint form should be sent directly to the Chair of Governors, c/o the school. The procedures set out in Part 2 of this document should then apply.

## Expected Outcomes

1.4 The actions that the school may take to put matters right might involve one or more of the following:

- a review of policy or procedure;
- changes to routines;
- action to remedy a health and safety concern;
- restorative work involving a pupil and a member of staff;
- risk assessment to determine the likelihood of similar problems recurring
- an apology or an admission that the situation could have been handled differently or better;
- action towards a member of staff (on the occasions that this is of a disciplinary nature, no further information will be shared, as this is a matter of employment contract law for employees and a straightforward matter of privacy for volunteers);
- a decision that no action is necessary or justified with a full explanation.

1.5 The Governing Body will not normally award financial compensation unless required to do so by virtue of legislation.

## The Complaint Form

1.6 A complainant who has first discussed the issue with the Head teacher may make a complaint and to do so they must use the complaint form. The complainant is asked to be brief and clear about the issue and to state what would, for them, provide a reasonable and acceptable resolution to the complaint. Unless there are exceptional circumstances, the complaint form should be submitted **within 90 calendar days** of the issue causing complaint.

## **Arranging Help for the Complainant to Articulate Concerns and Understand Procedure**

1.7 The Governing Body is aware of its obligations under the Equality Act 2010 and understands that a complainant may have communication preferences due to disability, learning difficulties or difficulties using English. In such circumstances the complainant will be appropriately supported to make their complaint or alternative arrangements made and alternative methods of contact will be accepted.

If a complainant wishes to seek help in explaining the issue and/or with completing the Complaint Form, then support may be available from one of the following sources:

**From School Staff.** The Governing Body accepts that a member of the school staff may provide support unless the Head teacher agrees that there is good reason why they should not do so. This support does not extend to support with the basis of the complaint per se, rather it is restricted to advice on how best to present the information.

**From external sources.** A complainant may, if they wish, seek support from any person who is not a member of staff, including legal support or from statutory and charitable organisations. A complainant may nominate a person to issue, and to receive, correspondence on their behalf. The school will request consent from the complainant before disclosing information to a third party.

Whilst the school acknowledges that, on rare occasions, parents may wish to contact solicitors, the school will not accept a complaint from a legal representative. The school will not use legal representation within the complaint resolution process but nor will parents' legal representative be permitted to attend relevant meetings.

**If the complainant contacts the Local Authority, then they will be directed to the school complaints procedure on the schools website. The Local Authority has no statutory powers of intervention in school complaints.**

## Part 2 – Referring a formal complaint to the Chair of Governors

2.1 Where the complainant considers that the Head teacher’s formal written response does not resolve the complaint, the complainant may ask the Chair of Governors to reconsider the Head teacher’s response. This request must be made within **10 school days** of receiving the Head teacher’s response.

2.2 If the complaint is about the Head teacher then the complaint form will be submitted direct to the Chair of Governors. Unless the complaint is about the Head teacher, the Chair of Governors will not consider the complaint unless the Head teacher has had the opportunity to seek to resolve the matter first.

2.3 If the complaint is about the Chair of Governors, the entire Governing Body or an individual Governor, then the complaint form should be sent to the Clerk to the Governing Body (see section on making a complaint about Governors below).

### The procedure

2.4 If emailing the complaint, the complainant should only use the official email address for the Clerk to Governors who will then forward to the Chair of Governors. This email is:  
[jtuxworth@wyton.cambs.sch.uk](mailto:jtuxworth@wyton.cambs.sch.uk).

Correspondence must not be sent to any personal email addresses. In the subject field of the email, the complainant should write, ‘Formal Complaint’. If delivering or posting a letter, the complainant must address it to the Chair of Governors at the school address and should write ‘Formal Complaint’ on the envelope. This will ensure that the complaint is dealt with promptly and enable the school to comply with the timescales set out in the policy.

2.5 The complainant should not share the complaint with other governors. A detailed knowledge of the complaint will preclude governors from serving on a review panel if the complaint is not resolved by the Chair. Governors receiving a complaint in this way should immediately refer it back to the Chair without considering the content.

2.6 The Chair of Governors will acknowledge the complaint form in writing **within 3 school days of receiving it personally** and investigate the matter so that the complainant receives a response within **10 school days**. On rare occasions, the complaint may be too complex to investigate within this timescale and, in these circumstances, the Chair will write to the complainant explaining why it is not possible to work within the timescales laid down and to advise when a response will be issued.

2.7 As part of the investigation, the Chair will make early contact with the complainant and either propose a meeting or a substantial telephone call to consider the issues raised. If telephoning, the Chair should determine whether it is necessary to withhold any number that is not the school’s telephone number.

2.8 The focus of that conversation should be to:

- Consider any missing information on the complaint form;
- Consider any aspects of the complaint where additional clarification is required;
- Consider the extent to which any evidence is available that has not been mentioned on the complaint form;
- Establish the complainant’s view as to witnesses who might need to be interviewed;

- Establish what would provide for the complainant an acceptable resolution to the complaint;
- Establish whether there is any pressing reason for the matter to be investigated more quickly than the published timescale allows for;
- Discuss with the complainant whether there is anything that might help resolve matters outside the complaints procedure, for example, alternative dispute resolution methods.

2.9 Complainants must make sure they do not covertly record any conversations about complaints and they should make sure they obtain informed consent from all parties present before recording conversations or meetings.

2.9 The key objectives of the Chair's investigation are likely to include:

- Achievement of a shared understanding with the complainant of the nature of the complaint and of what it is that remains unresolved;
- Establishing what has happened and who was involved;
- Interviews and/or written statements from those adults and children whose information and views, in the opinion of the Chair of Governors, need to be taken into account; although the final decision of whom to interview rests with the Chair, it is expected that the voice of affected children will be appropriately heard and be given sufficient weight;
- Sensitivity and thoroughness when conducting interviews;
- A detailed report that will provide a clear record that will be helpful for any subsequent review;
- A clear analysis of the information and conclusions reached;
- An authoritative outcome that is based on the evidence and does not merely state acceptance of evidence;
- Recommendations to resolve the complaint.
- The conclusions and the reasons for decision making should be communicated in writing to the complainant and any relevant person complained about.

## Expected Outcomes

2.10 The Chair will report in writing on the extent to which s/he considers the complaint is fully, or in part:

- **Substantiated** - i.e. where there is sufficient evidence to uphold the complaint;
- **Malicious** – i.e. where it is proven that the complainant has no case and where, also, there is evidence that the complainant deliberately tried to deceive the school, made the complaint as part of a deliberate attempt to cause distress or otherwise acted with malice;
- **False** – i.e. where there is sufficient evidence to prove that there was not legitimate basis to the complaint, or
- **Unsubstantiated** – i.e. where there is insufficient evidence to reach a conclusion.

2.11 In terms of future actions there are two possible outcomes from a complaint. These are:

- action taken by the school to put matters right. This might include one or more of the following:
- a review of policy or procedure;
- changes to routines;
- action to remedy a health and safety concern;
- restorative work involving a pupil and a member of staff;

- risk assessment to determine the likelihood of similar problems recurring;
- an apology;
- action towards a member of staff (on the rare occasions that this is of a disciplinary nature, no further information can be shared as this is a matter of employment contract law for employees and a straightforward matter of privacy for volunteers).
- a decision with a full explanation, that no action is necessary or justified.

2.12 The Governing Body will not normally award financial compensation unless required to do so by virtue of legislation.

## Role of the Clerk to the Governors

2.13 The Chair of Governors will appoint the Clerk to the Governing Body to:

- act in a ‘progress chasing’ role to track the complaint and to ensure that timescales set out within the policy are being adhered to wherever possible;
  - ensure that the complainant is kept up-to-date, including where timescales have not been met and the reasons why;
  - receive any concerns that the complainant might have and advise the Governing Body about the operation of the process;
  - inform the Governing Body of any shortcomings in the delivery of its complaints procedure, both during the process and subsequently;
  - arrange for the outcome of the investigation to be communicated to all parties (the complainant and where relevant the person complained about) **so they receive it at the same time**. This will be in the form of an email or letter from the Chair of Governors.
  - Ensure that a written record of the complaint along with details or whether they were resolved following the formal procedure or progressed to a panel hearing;
  - The Clerk will ensure that correspondence statements and records relating to individual complaints are stored confidentially.
- Complaint documentation does not form part of the child’s educational record.2.14 The letter from the Chair of Governors represents the conclusion of the Chair’s consideration of the complaint. Neither the Chair nor any member of staff should respond to the complainant after this point. The Clerk should thereafter handle all correspondence. The complainant will be advised in the outcome letter that the matter is closed except for the possibility of a review by a governors’ panel (see Part 3).

## Complaint about governors

2.15 If the complaint is against the chair of governors or an individual governor, the complaint should be addressed to the Clerk to the Governing Body at [jtuxworth@wyton.cambs.sch.uk](mailto:jtuxworth@wyton.cambs.sch.uk) who will arrange for the complaint to be heard by the Vice Chair or another member of the governing body and then a committee of members of the governing body if it progresses to the next stage.

2.16 If the complaint is against the entire Governing Body or complaints involving both the Chair and Vice Chair, it should be sent to the Clerk, who will determine the most appropriate course of action. This will depend on the nature of the complaint. This may involve sourcing an independent investigator to complete the investigation and co-opted governors from other schools to hear any complaint that may progress to the next stage.

## Part 3 – Referring a formal complaint to a Governors’ Panel

### The procedure

3.1 Where the complainant considers that the Chair of Governors’ written response does not resolve the complaint, the complainant may ask the Clerk to convene a Panel of Governors who have had no prior involvement with the complaint (or the issues which led to the complaint) to review the Chair’s response. The complainant must complete, and submit to the Clerk, a Review Request Form (available to download from the school website and from the school office). S/he should do this within **10 school days** of the date of issue of the letter giving the decision on the complaint. This form is structured in a way that helps ensure that the reasons for requesting a review can be readily understood, and that contact information is recorded and available to those who might need it.

3.2 If emailing, the complainant should take care to ensure that s/he has the official email address for the Clerk and that s/he uses this ([jtuxworth@wyton.cambs.sch.uk](mailto:jtuxworth@wyton.cambs.sch.uk)). In the subject field of the email, the complainant should write, ‘Complaint Review Request’. If delivering or posting a letter, the complainant must address it to the Clerk at the school address and write ‘Complaint Review Request’ on the envelope’. The Clerk should record the date the request for review is received and acknowledge the request for review within 3 school days.

3.3 If the complainant requires assistance in articulating the need for a review then support may be provided by those identified as able to offer help in part 2 of the guidance (page 8 above). Again, it is not for those supporting the complainant to comment on the merits or otherwise of review, but rather to help the complainant articulate their position to the Governors’ Panel through the Review Request Form.

3.4 The governors’ panel will only consider requests for review outside the 10 school working days timeframe in exceptional circumstances. These might include:

- the reasons for a review not being known to the complainant within 10 school working days;
- the complainant needing to delay making their request for review because they
- needed the time to collect evidence that could not have been gathered during the first 10 school working days;
- the complainant not having been able to request a review within 10 school working days because of being abroad or being incapacitated.

3.5 The review will be based on the information supplied in the Review Request Form. And will usually consider the following:

- the complainant’s view that not all aspects of the complaint have been addressed;
- the complainant’s view that not all available evidence has been considered;
- the complainant’s view that not all relevant witnesses have been interviewed;
- the complainant’s view that the decision has not been adequately justified in the Chair’s decision letter;
- the complainant’s view that the decision has not been adequately explained.

The review will not review any new complaints at this stage. New complaints must be dealt with from Stage 1 of the procedure.

3.6 The review process cannot be used to consider cases where the complaint was not dealt with in accordance with published time-scales. That would require a fresh complaint to be made.

3.7 Whilst normally the governor's panel will consider the review on the basis of written representations only, the governors will consider a face-to-face review if this is requested by the complainant. In this event a suggested agenda for the review meeting is set out at Appendix 5.

If the complainant is invited to attend the meeting, they may bring someone along to provide support but not represent them. Neither party should have legal representation. Representatives from the media will not be permitted to attend.

The Clerk will confirm and notify the complainant of the date, time and venue of the meeting.

Any written material relating to the complaint, will be circulated to all parties at least five school days before the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The meeting will be held in private.

## **Composition of Review Panel**

3.8 The Clerk will convene a Review Panel comprising 3 or 5 members who have had no prior involvement with the complaint or the causes of the complaint. Members of the Review Panel will elect a chair from among themselves and they will use a simple majority vote to do so. If there are fewer than 3 school Governors available the clerk will source any suitably skilled and independent Governors from another school's Governing Body.

3.9 An LA adviser may be invited to the meeting, at the discretion of the governors, to give procedural advice only.

## **Convening the Review Meeting**

3.10 The Clerk will liaise with all the Review Panel members to propose, and to agree, a date, time and venue for the review. This is most likely to be at the school but the Clerk should ensure that the meeting will be in an appropriate environment i.e.

- ☐ there will be a sufficient number of tables and chairs and that these will be suitable for use by adults;
- ☐ where governors have agreed a face-to-face review the size of the room will be conducive to constructive discussion;

- ☐ the meeting will not be disturbed;
- ☐ the confidentiality of proceedings can be protected.

3.11 The Governing Body is mindful of the challenges that volunteer governors can encounter in finding time to prepare for a review and in finding a date and time when all members are available. The Governing Body has decided that it is more preferable to allow sufficient time for the process than it is to set a deadline that may be all too easy to miss. The Governing Body therefore has decided that a Review Panel should meet within, what the Governing Body considers to be, **the reasonable time frame of 20 school working days**, starting from the day when the request for a review was received, or the next school day if that was not a school day. If there are exceptional reasons why there is slippage to the timescales laid down, the clerk will explain the reasons for this to the complainant in writing.

### **Further Written Representations to the Review Panel**

3.12 Prior to the meeting of the Written Review Panel, the Clerk will seek any further written representations from the complainant concerning the reasons why the matter should be reviewed. The complainant will have 5 school working days to provide this information. The Clerk will supply this information to the Chair of Governors who will have 5 school days to submit any comments to the Panel. The Panel should have 5 clear school working days to consider all the information in advance of the meeting. The information to be sent by the Clerk to the Review Panel should comprise the following:

- ☐ The original completed complaints form;
- ☐ The response to the complaint from the Head teacher and/or the Chair of Governors;
- ☐ The completed Review Request Form;
- ☐ Any additional written representations from the Chair of Governors or the complainant

### **The Review Panel meeting**

3.13 The Review Panel meeting will normally be clerked by the Clerk to the Governing Body. Where this is not possible the Chair of Governors will ensure that an alternative suitable person is responsible for the clerking function. The meeting will be held in private.

3.14 At the start of the meeting the Panel will elect a chair who will be responsible for the conduct of the meeting and for liaising with the Clerk subsequently to ensure that all parties receive timely notification of the outcome within 5 school working days of the date of the review meeting.

3.15 The panel will consider objectively the complaint, the Head teacher's and/or Chair's response, the reasons set out in the Review Request Form, and any further written representations from the Chair or complainant. It will then decide whether the response to the complainant has been fair and reasonable in the circumstances. The Review Panel must take care to ensure that it does not favour one side or the other for any reasons other than those arrived at through an objective assessment of all the evidence.

### **Conclusions and Recommendations**

3.16 The Review Panel must come to a conclusion as to whether the request for a review was justified in identifying alleged shortcomings in the investigation of the complaint by the Chair of Governors. The committee can uphold the complaint in whole or in part, or

dismiss the complaint in whole or in part. Because the review is not an appeal, the Review Panel cannot reverse the earlier decision of the Chair of Governors. But it can make any recommendations that it sees fit that can be taken to resolve the complaint. Such recommendations might include:

- an apology;
- a re-consideration of an earlier decision;
- informing improvements within the school;
- improving the effectiveness of the complaints procedure;
- a review of a policy or a procedure or a recommendation to change the school's systems or policies or procedures, or
- a fully explained decision that no further action is necessary or justified.

## Communicating the Outcome

3.17 The matter should remain confidential. The Clerk will promptly communicate the outcome, and set out the reasons for it, in a letter to the complainant, the outline of which will have been formulated by the Review Panel in the meeting.

The final version will be agreed and signed by the Chair of the Panel. **It is essential that the review decision letter is sent to the complainant and where relevant the person complained about and the Chair**

**at the same time.** This will be in the form of an email or letter. Whilst the letter should avoid unnecessary detail, there should be sufficient information to demonstrate that the review was considered in full, provide an explanation of the decisions taken and include details or any actions or recommendations that will be taken to resolve the complaint.

3.18 A written record will be kept of the complaint. Correspondence, statements and records relating to the complaint will be filed confidentially. The actions taken as a result of the complaint will be recorded (regardless of whether they are upheld).

3.19 The issue of the review decision letter concludes the school complaints process and the school will not enter into any further correspondence with the complainant.

**The information in paragraph 3.20 about redress beyond the school must be included in the panel response letter.**

3.20 Beyond the school complaints process, any person may complain to the Secretary of State for Education that the governing body of a maintained school has acted either unlawfully or unreasonably. They may do this by writing to the address shown below.

**School Complaints Unit,  
Department for Education  
Piccadilly Gate  
Store Street  
MANCHESTER  
M1 2WD**

**Telephone: 037000002288**

3.21 The Department for Education is unlikely to re-investigate the substance of the complaint or overturn any decisions made. Their interest is likely to be restricted to whether due process has been followed correctly and that education legislation and statutory policies connected with the complaint have been adhered to and that the school has not acted unlawfully or unreasonably.

More information is available at [www.education.gov.uk/contactus](http://www.education.gov.uk/contactus)

Anyone can raise a complaint about a maintained school or a member of staff to the DFE, but the DFE advises complainants that local procedures should be concluded before submitting their complaint to them.

The exceptions to this include when:

- children are at risk of harm;
- children are missing education;
- a complainant is being prevented from having their complaint progress through the published complaints procedure;
- the DFE has evidence that the school is proposing to act or is acting unlawfully or unreasonably.

## APPENDIX 1:

# Complaint procedure (summary)

### INFORMAL STAGE

School staff seek to resolve the complaint informally through discussion with the complainant. A complaint will not normally be considered unless the complainant has first raised the matter informally with the relevant school leader.

The complainant should submit a formal complaint within 90 school days of the cause for complaint.

### FORMAL PROCEDURE – Stage 1\* (up to 10 school days total)

Written complaint to the Head teacher

- Received by Head teacher
- Acknowledgement – 3 school days
- Investigation (including any discussion with the complainant)
- Formal Response (from the Head teacher – 10 school days from receipt)

\*If the complaint is about the Head teacher then the complaint will be directed to the Chair of Governors and considered as a Stage 2 complaint.

### FORMAL PROCEDURE – Stage 2 (up to 10 school days total)

Complaint to the Chair of Governors requesting review of Head's decision

- Received by Chair of Governors (within 10 days of the Head's response)
- Acknowledgement – 3 school days
- Investigation (including any discussion with the complainant)
- Formal Response (from the Chair of Governors or Clerk)– 10 school days from receipt

### FORMAL PROCEDURE – Stage 3 (Final) (up to 20 school days total)

Request for Review of Chair's Decision – Governors' Complaint Panel

- Received by Clerk to the Governors (within 10 days of the Chair of Governor's response)
- Acknowledgement – 3 school days
- Meeting
- Formal Response (from the Clerk) – 20 school days from receipt

The conclusion of Stage 3 brings to an end the governors' role in considering the complaint. Complainants who remain dissatisfied may wish to contact the Department for Education.

## APPENDIX 2 –

# Frequently Asked Questions

**What if a formal complaint is made about a governor?** The complaint should be passed through to the Chair for investigation. There is opportunity for the complainant to refer the matter to a Review Panel where the complainant is dissatisfied with the response of the Chair.

**What if the complainant seeks support from a governor or governors?** Governors should not involve themselves in matters that are likely to lead to formal complaint. Where a complainant raises their complaint with a governor who is not the Chair (or the Vice-Chair if the complaint is about the Chair), that governor must decline to discuss it and direct the complainant to the Chair. A governor receiving written material about a complaint must forward it to the Chair (or Vice-Chair) without comment.

**What if the complainant wants to make a complaint on behalf of other people's children?** The Governing Body will not accept complaints about other people's children since to do so may well compromise the position of the parents/carers of those children who may have a different view of the matter complained of.

**What if the complainant makes reference to the complaint on social media?** The Chair of Governors should contact the complainant to advise him/her that the complaint is a confidential matter and neither those investigating the issues, nor those who may be investigated would use social media in this way. Some comment made on social media may be prejudicial to the fair investigation of the issues under consideration, and the Governing Body may decline to progress a complaint while unhelpful comments remain on social media.

**What if the complainant contacts the Press while the complaint is being investigated?** Similarly, the Chair of Governors should contact the complainant to remind him/her of the confidential nature of the process and the potential prejudice to fair investigation that can result from media involvement.

**What if the complainant contacts their MP?** MPs are normally conversant with school complaint policies and will usually point the complainant in that direction. Where the MP contacts the school they will be advised of the relevant process and, if the complainant wishes, of the outcome of the complaint at the end of the process.

**What if the parent or school asks for the support of the Local Authority?** The Local Authority has no formal role in responding to complaints. The Local Authority may be involved in a complaint only in the following ways:

- In assisting a complainant to articulate their views in writing, where such support is requested by the complainant, but the responsible officer will remain strictly neutral in carrying out that role;
- In providing procedural advice to Head teachers, governors and complainants, as necessary, including attendance at Review Meetings when requested;
- In assisting the parties in a mediation role where both parties agree that this offers a possible way forward as an alternative to more formal procedures;
- In investigating a complaint on behalf of the Governing Body where there is a need for an independent investigator, either in response to a governor view that it is necessary in a particular case to demonstrate the impartiality of the process, or because the subject

matter is sufficiently complex or technical to require a higher level of experience or expertise

**What if the complainant refers the complaint to OfSTED?** OfSTED is unlikely to investigate individual cases, though will record the complaint for information for the lead inspector when the school is next inspected. If there is a safeguarding component to the complaint then OfSTED will refer the matter to the Local Authority where it will be processed by an Education Adviser and/or LADO, as appropriate. The Education Adviser will contact the relevant person in school dealing with the complaint to offer further advice.

**How should records be kept through the complaints process?** There are a number of aspects to this:

- The complainant may wish to take an **audio recording** of meetings, including a recording of the Review Meeting where governors have agreed to a face-to-face review. It should be made clear to complainants that audio recordings are not permitted without the prior consent of everyone who would be present. Audio recordings change the character of a meeting and usually increase tension between the parties. Participants in meetings should be aware that modern technology facilitates concealed recording.
- The clerk should **record any action points**, and **decisions**, and **the reasons for them**, should be recorded in a brief and self-explanatory way and these records should be accessible to the complainant if requested. There is no reason why the complainant should not make notes during the meeting if s/he wishes.
- There should be an emphasis on **confidentiality of record keeping**. No one should share a complaint beyond those who have a role in handling it. In particular, any disciplinary action that might follow the investigation of a complaint is a matter of employment law for employees and of conduct for governors and volunteers. Such action will not be revealed to the complainant. Individuals have certain rights under the Data Protection Act to see their personal data, including records about them.

**What if the Chair of Governors considers the complaint to be vexatious?** These would be cases where the person concerned persists unreasonably with complaints, or who deliberately seeks to make life difficult for school leaders/governors rather than genuinely to resolve the complaint. The LA has guidance to support Head teachers and governors contained within the **Schools' Persistent Complaints Policy**. This is a difficult area, particularly where harassment might be disguised as complaint, and it is recommended that the Chair discuss this with the LA's Education Adviser.
