Head teacher: Ms Jo Phillips

Thank you for your interest in the position of the Reception Class Teacher position at Wyton on the Hill Primary School. One of our Reception teachers will soon to be taking maternity leave and we are looking for someone to cover her teaching commitment from Wednesdays to Fridays each week until 26th June.

When I chose to apply for the position of Head teacher at Wyton on the Hill Primary School fifteen years ago, I did so because what came across very strongly from both my initial visit was that this was a school in which teaching and learning is enjoyed by children and staff alike and in which individuals are valued for who they are, as well as for the contribution they make to the life of the school. Since joining the school, I have found this to be true, and have tried to ensure that all of our school development initiatives build on this strength. I would recommend a visit to the school to see for yourself – please phone or email for a convenient time.

The information you need about the role can be found on the website. You will also find a wealth of information about the school which will hopefully enable you to decide whether or not ours is the right post for you. Visits to the school are encouraged and welcomed and if you have any questions, please do not hesitate to contact me for more information.

If you feel you would be happy here at Wyton, we look forward to receiving your application form, along with a letter outlining why you feel you would be the right person to join our team.

Yours sincerely,

Jo Phillips
Head teacher

PLEASE NOTE

The school is committed to safeguarding and promoting the welfare of our pupils and staff. Everyone appointed is expected to share this commitment and work towards enhancing our provision.
