

DIY All-Purpose Cleaner

1 cup white vinegar

1 cup water

Juice of 1 lemon (antibacterial, fresh scent, removes stains)

2 tbsp baking soda

10-15 drops essential oils

(optional: tea tree, lavender, or lemon)

Instructions:

1. Mix vinegar & water in a spray bottle.
2. Add lemon juice (strained)
3. Slowly add baking soda (it will fizz—wait to add more)
4. Add essential oils
5. Shake well before each use

Tea tree is great for mould/mildew

Lemon boosts degreasing and add freshness

Lavender kills germs and add calming scent

Pro Tips:

For tough stains/scum:

Sprinkle baking soda directly on the surface, spray vinegar mix, let it bubble, then scrub.
