#### Client Preparation Tips for Moving Clean

##### 1. Ensure All Personal Items Are Removed

This service is designed for empty properties, so please remove any remaining items before our arrival.

##### 2. Notify Us of Any Special Requests in Advance

If there are particular areas you want us to focus on, please let us know ahead of time.

##### 3. Confirm Utilities Are Active

To clean effectively, we need access to running water and electricity.

#### Standard Limitations of Service

- Trash Removal Limits: We remove trash in designated bins only.
- No Hazardous Areas: We avoid cleaning areas with excessive dust, mold, or waste.
- No Heavy Lifting: We do not move heavy furniture or use tall ladders.

Thank you for choosing EarthKind Cleaning Co. - Eco-Friendly. Soul-Aligned. Spotless.
