SUB-MIRRORS

Established in 1982, **KOITO** has thrived for over 40 years as a pioneering force in the automotive industry. From its modest origins, the company has soared to become a dominant player in the auto mirror market, propelled by an unwavering commitment to customer delight and satisfaction.

As a distinguished manufacturing entity, **KOITO** specializes in crafting high-quality Automotive Mirrors and Accessories. **KOITO** offers an extensive range of products that includes Car Door Mirrors / Side View Mirrors, Inside Mirrors, Inside Day-Night Mirrors, Sub Mirrors, SASH, Indicators, and more—catering to the diverse needs of the Automobile Industry. Our wide product portfolio provides customers with a plethora of choices.

KOITO holds the esteemed status of being a trailblazer in the realm of car door mirror production. Renowned for innovation, it was the first brand to introduce Power Folding / Auto Folding Car Door Mirrors in the Indian market, revolutionizing convenience and functionality for consumers.

Continuing its legacy of innovation, KOITO has now become the first company to introduce Door Mirrors integrated with a 360-Degree Camera in the aftermarket segment. This advanced solution offers perfect compatibility and seamless integration with the Original Equipment (O.E.) 360-Degree Surround View System, delivering factory-level fitment, precision, and performance, once again redefining industry benchmarks.

At **KOITO**, quality stands as the hallmark of its products. The legacy built upon trust and excellence has solidified **KOITO's** position as a brand synonymous with top-notch quality. The company's unwavering dedication towards providing superior products has earned it the trust and loyalty of customers. A firm commitment to customer satisfaction remains at the core of its operations.

The **KOITO** brand serves as a benchmark for continuous improvement, perpetually striving for excellence in manufacturing and service. With an unyielding focus on customer satisfaction, **KOITO INDUSTRIES PRIVATE LIMITED** continues to set industry standards, cementing its position as a leader in the Automotive Mirror market.

When it comes to Auto Mirrors, **KOITO truly sets the standard for excellence.**
