Other International Team and Couple Competitions may be organised and managed by the FIP at the discretion of the Board of Directors.

The FIP shall manage the Official Team and Couple Competitions in accordance with the Regulations adopted for the events and shall hold and control the finances.

The FIP shall own all international and national rights associated with these events, in accordance with the Regulations adopted, and shall register in its name all trademarks.

International Team and Couples Competitions may be officially recognised by the FIP on an annual or permanent basis and be known as "Official Team and/or Couples Competition Recognised by FIP".

Applications for recognition shall be submitted by the Association or Regional Association concerned. Applications, which shall give full details of the event, shall be considered by the corresponding Committee (if exist) and also at last by the Board of Directors.

COUPLES COMPETITIONS

1. The following shall be classed as "Official Padel Championships" and "Recognised Padel Championships" of the International Padel Federation:

- Associations or members of Associations staging any Official Padel Championships shall each make a payment of annual decided fee and corresponding to their gross prize money to the FIP on each occasion when the Championships are held. In all cases the necessary fee shall be forwarded to the FIP before the event is held.
- Each of the above Official Padel Championships shall consist of men's and women's events, which shall be played during the same period on the same grounds, or in different periods and places.
- Official Padel Championships shall follow the policies of the FIP.
- Due notice of applications for recognition shall reach the FIP in accordance with article 15. Applications, which shall give full details of the event, including the proposed venue, shall be considered by the corresponding Committee (if exists) and finally by the Board of Directors.
- Promotional Official Padel Championships recognised by the International Padel Federation
- Associations or members of Associations staging any Promotional Official Padel Championships shall be excluded for a payment of fee to FIP.
- Each of the above Padel Championships shall consist of men's and women's events, which shall be played during the same period on the same grounds, or in different periods and places.
- Official Padel Championships shall follow the policies of the FIP.
- Due notice of applications for recognition shall reach the FIP in accordance with article 15. Applications, which shall give full details of the event, including the proposed venue, shall be considered by the corresponding Committee (if exists) and finally by the Board of Directors.

2. The following events are managed or owned by the International Padel Federation.
