**Dear Hiring Manager,**

I am excited to apply for the Graphic Designer position. With 6 plus years of professional experience in diverse design roles, I am confident in my ability to bring creative, high-impact solutions to your team.

Currently, I work with AG Graphics in Vaughan, Toronto, focusing on print media and digital design for social media, videos, and branded materials. In previous roles, such as with Chordia Products, I specialized in CPG packaging, branding, and print assets, developing an eye for aesthetics and a strong command of Adobe Creative Suite.

I excel at collaborating with clients and cross-functional teams to transform ideas into compelling visuals aligned with brand goals. My work at Eximp International and Affinity Express further honed my skills in digital media, social media, and advertising design.

Your commitment to quality and innovation aligns with my approach as a designer. I would love the opportunity to discuss how my skills and experience can benefit your team. Thank you for considering my application.

Sincerely,  
Shrimayee Gokhale
