

Mobile Access

Market moving events occur around the clock. Stay connected with a mobile experience, synchronized with your desktop, providing instant access to the actionable information you need whenever and wherever you need it.

ALWAYS WITH YOU

View your lists, news searches, alerts, Messenger conversations and more, via multiple devices and access points. Our mobile options provide a seamless flow of information in and out of the office. You'll receive the same custom experience wherever you access data.

NEVER LOSE TOUCH

Stay connected on your commute, between meetings or while travelling with:

- Thomson Reuters Eikon Messenger. Connect and Collaborate with over 200,000 financial professional around the globe from virtually anywhere
- Take the most trusted media brand in the world wherever you go. Get real-time, breaking headlines from all over the world
- Real-time pricing from anywhere on the instruments you cover and markets of interest through personalized lists and comprehensive asset class overview screens
- Access all data available for an instrument using the mobile Quote Object
- Use the Briefcase to read news articles and research reports even when Internet service isn't available, by storing content locally to your device.
- Chart price performance, compare up to 5 instruments at once and apply technical analysis studies.

GOOGLE CHROME EXTENSION

Easy access to relevant and timely Eikon content and capabilities, whilst you browse the web using Google Chrome.

- Seamlessly access Eikon capabilities via the Google Chrome SmartMenu
- Use the powerful "Analyze this" capability to scan through a webpage and extract related content from Eikon for Companies, Industries, Countries and People profiles
