A glimpse of our previous work.

A glimpse of our previous work.

Is that everything we do?

Absolutely not. What you see is just a glimpse of what we offer.

At NH Garments, we specialize in end-to-end apparel manufacturing across categories—from basic t-shirts to premium styles.

Need bomber jackets, chinos, shirts, co-ord sets, kidswear, or anything custom? We've got you covered. With flexible production capabilities, access to a wide range of fabrics, and a skilled team, we're equipped to turn any design into reality. No matter the complexity or category, we make it happen—your way.

What about customisation?

Customisation

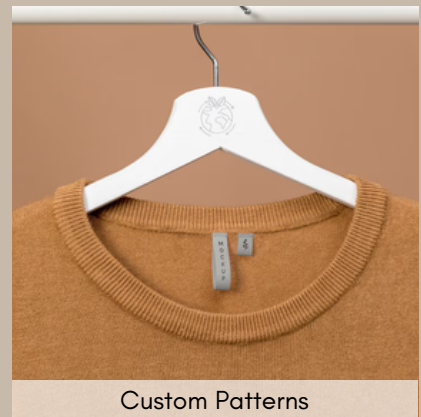

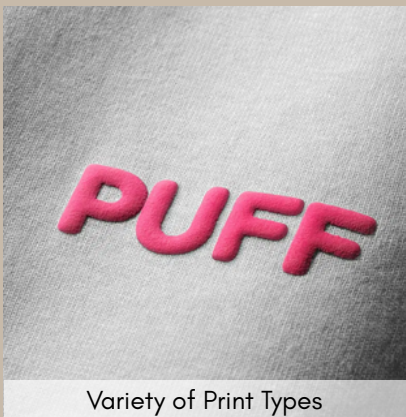

From blended knits and jacquards to premium imported fabrics like Tencel, modal, bamboo, and organic cotton—we offer a versatile range of textiles to suit every market segment. Whether you want ready stock colours or custom-dyed fabrics in precise Pantone shades, our dyeing capabilities ensure color consistency batch after batch. Trims can be tailored down to the last detail—fabric-matched buttons, embossed leather patches, metal logo plates, woven side tabs, and contrast neck binding. Choose from global zipper brands like YKK, SBS, or RIRI, or add utility with drawcords, snap buttons, or elastic trims.

We also offer special finishes such as enzyme washes, silicone softeners, bio-polishing, and brushed backs. From cut-and-sew panels and drop shoulders to custom length adjustments, every style can be fine-tuned.
