

BAR92

The name “**92**” draws from the Korean pronunciation of “**Gui**,” creating a subtle yet playful nod to heritage that sets the tone for what’s to come. Located on the first floor of GUI, Bar 92 introduces guests to a cocktail experience rooted in intention and innovation. Each drink is crafted with a narrative—flavors that speak to the bold, diverse palette of Asian cultures while echoing the spirit of GUI itself. From infused bitters to unexpected pairings, every element is carefully considered to reflect the intersection of tradition and edge. Sophisticated yet playful, Bar92 is more than a prelude—it’s the spark that sets the tone.
