Our team was lucky enough to have such a raw talent like Randa.

She has proved her world-class skills over & over. Such endless passion & devotion, she is clearly doing what she loves!

I've personally learnt a lot from her. And beside her extraordinary skills in the field, she is always proactive, learning, growing and super detail-oriented!

She is a leader, team-player & consultant. She takes a pride in her work & seeks its perfection through iteration.

Randa will always have my top recommendation without any reservations!
