

EVENT SPONSORSHIP 2025

ORGANISED BY:
YorcyberSec Limited

About The Events

Introducing Cybrewery Evenings – A Unique Networking Opportunity for IT and Cyber Professionals.

Join us for an evening of delicious food and drinks while learning from your peers in the industry. This isn't your typical networking event – it's about building a community and sharing knowledge. We're dedicated to showcasing the incredible projects happening in IT and security and facilitating conversations about them.

These events will be held every month in the North, specifically around Leeds, Manchester, Burnley, Newcastle and York. Ticket price includes all drinks, food, and a donation to charity.

Don't miss out on this fantastic opportunity to connect with like-minded professionals.

Key Points

01

Increase Brand Awareness -
Social posts and promotions
with a Q&A on the night.

02

Target Market - Get the people
you want to the evenings. Using
adverts and our network. The
sponsor gets the final say on
who gets tickets meaning no
competitors will be there.

03

Support Charity - Ticket sales
from each event support a
charity selected by the speaker.

04

You do NOT get the attendee
list - As most sign up with
personal emails we cannot
provide this.

Sponsorship Pricing

Each location incurs different costs for food, drink, booking fees etc.

Costs include time spent on promotion, adverts, slide decks and inviting the requested target audience.

We also check ticket requests with you, as all events are invite only. This prevents competitors being present and encourages productive conversations on the evenings.

Solo Sponsor

Leeds - £1,850 + VAT

Manchester - £1,850 + VAT

York/Newcastle - £1,650 + VAT

Leeds Cyber Security Conference
Special - £2,250 + VAT
