EQUIPPING GENERATIONS FOR LIFE IN CHRIST

"One generation shall commend your works to another" Ps 145:4

MAY 2025

WORSHIP WED. @ 7PM | SUN. @ 7:45 & 9:30AM

LETTER FROM PASTOR

Now Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name. - John 20:30-31

Christ is risen! He is risen indeed! Alleluia! The church produces so many wonderful moments for us as God continues to give His gifts and speak His Word to us, but there is perhaps none greater than a full sanctuary loudly proclaiming the Easter truth! And now we carry that truth with us in all things. We, by grace, trust in what God has revealed to us and we have received in faith, knowing that He works for the good of His people, with the ultimate good being eternal life in Him.

Thomas needed a little more convincing. While Thomas had certainly seen and heard Jesus do some incredible things, even foretelling His death and resurrection, Thomas still needed proof, and Jesus delivered.

That being said, I find it interesting that immediately after John tells us of Thomas asking and receiving the proof that he felt he needed, John tells us that there are so many other things that Jesus did. Do we know what they are? No. Do we have proof that He did many other miracles and preached many other sermons? No. But that's not the point.

Despite Thomas asking for more proof, John tells us that there are so many other things that he could have written about, but that isn't necessary. What is necessary is that Jesus suffered and died so that the sins of the world would be forgiven. Three days later, He rose from the grave, just as He said He would, conquering sin, death, and the devil, that we may have eternal life in Him. And now, God pours out His Spirit, that we may receive this revelation by faith, trusting in God's promises to us.

We know what is necessary for us to be made righteous before God, and Jesus has accomplished that. We know who our God is and how He has provided, and continues to provide for us. Now we trust in Him in all things, seeing the love He demonstrated for us through His Son. We believe in Him, that we may have life in His name.

*In Him,
Pastor Kyle*

Hello Zion Family,

As we celebrate the return of spring and have celebrated the joyous Eastertide, we look forward to warmer summer days and the activities that come along with those longer days. I am celebrating the completion of my first year of having the privilege of working alongside Pastor Kyle and Pastor Jed in teaching our confirmation students at Zion as a called church worker. Together, we navigated a new curriculum, teaching religion classes, introducing a more challenging memory schedule, as well as at-home devotions for both day school and public school confirmands (and learning how to use the grading system!). While it was a challenge for both staff and students, I can say that our students showed glory to God and accepted the challenge well. As we walk away from this school year, they have developed a routine weekly devotional time, they've learned several parts of the catechism and prayers, and they've studied the Bible and what it means for their lives. We hope this instruction takes them into the next phase of their education, allowing them the ability to turn to God's Word for guidance in their lives.

While I'm sure staff and students alike are looking forward to May 22nd and that end-of-school-year picnic, I hope that the students' growth in God's Word does not stop. I can speak on behalf of myself and the pastors that we look forward to seeing our students in worship on Sundays during the summer. We would love to see them still serving their church in roles like being an acolyte, ushering, and reading. Their part as

the body of Christ and a church member doesn't end just because the school calendar ended. Most, if not all, of our middle schoolers have a device that they could download the Bible app on or the Lutheran Hour Ministries app so that devotional time and time in the Word doesn't end in the summer. Keeping that as a regular part of their week will keep them in the routine for their life going forward. I'm a big fan of The Bible Project because the animations explain the portion of the Bible that is being studied. We've used this in class time occasionally and the students really enjoy the videos.

I say all this not to sound like a broken record, but to encourage families to continue the routine. It's hard, I know from personal experience that summertime puts the family calendar into upheaval. However, keeping some routine, especially a spiritual routine, teaches our children about what is important. Time with God is important! Don't lose sight and don't lose hope! And if you need help - the church staff is here for you - reach out, we can provide encouragement when you need it. We see the Holy Spirit working in our students and families and want to nourish that growth! Maybe your routine doesn't look quite the same, maybe worship is on Wednesday night instead of Sunday morning, maybe you get creative with devotion time, it doesn't have to be exact. Look for extra opportunities for your students to spend time praising God - Vacation Bible School, Camp Luther, Confirmation Camp - they will both have fun and continue their spiritual growth!

*To God be the Glory,
Hillary Krahn*

Ecclesiastes 3:1-4 says, “For everything there is a season, a time for every matter under heaven. A time to be born and a time to die. A time to plant and a time to harvest. A time to kill and a time to heal. A time to tear down and a time to build up. A time to cry and a time to laugh. A time to grieve and a time to dance.”

It is with great joy that I share that we have entered a season of celebration here at Zion. After a few years of planning and preparing, we’ve officially broken ground to further His Kingdom at Zion. Throughout the school year, God’s love, provision, and guidance have been our source of strength and comfort. In addition, we have so much to thank God for including:

- 12 graduates heading off to local High Schools ready to love and serve the Lord.
- The dedicated volunteers that do so much for church and school.
- The opportunity to teach our kids DAILY about Christ and His sacrifice and love.
- Committed teachers and staff excited to serve our students and families.
- The opportunity to watch our kids excel in their spiritual life, academic life, and sporting activities.
- Financial provisions to keep tuition low, as well as expand to help build our future.

In preparation for the groundbreaking ceremony at the end of April, I was humbled and amazed to see the support of our congregation. We are blessed with a rich history of giving God the glory as he has provided Christian education for families in the Wayside area for over 150 years. I am so honored to be with you all as God writes the story of Zion and what He has planned for our present and future.

*Have a blessed Easter,
David Gosa*

Chicken Cranberry Pinwheels

Ingredients:

4 ounces cream cheese, softened
 1/3 c Mayonnaise
 1 t Dijon mustard
 3 cups shredded cooked chicken (2 of the large cans of chicken)
 1/4 c finely chopped celery
 2 green onions, sliced
 2/3 c Craisins
 1/2 c toasted pecans
 1/3 c crumbled Feta cheese
 Salt and pepper to taste
 4 large flour tortillas (I use the spinach and herb (green) ones)

Instructions:

1. In large bowl use a wooden spoon to stir together cream cheese, mayo and mustard til smooth.
2. Stir in chicken, celery, green onion, craisins, pecans and feta cheese.
3. Season with salt & pepper.
4. Place tortillas on microwave safe plate. Cover with a damp paper towel and microwave on HIGH for 20 seconds. (I don't do this)
5. Spread 1/4 of the chicken/cream cheese mixture on each tortilla. Roll them tightly and wrap in plastic wrap. Refrigerate at least one hour.
6. Slice into slices. (I usually get 10 slices per roll, but you can slice them however thick you would like them.

If you make these ahead of time, it is best to wait and slice them shortly before serving. Can be made up to 48 hours in advance.

LIFE NEWS—APRIL 2025

LUTHERANS
FOR LIFE

**Life Newsbytes**

Planned Parenthood kills babies. Over 350,000 babies every single year lose their lives at a Planned Parenthood abortion center. So why are we still funding it? That's the question Marjorie Dannenfelser of SBA Pro-Life is asking ... "The New York Times recently published a lengthy article exposing Planned Parenthood's lack of standards and cruel attitude toward patients," Dannenfelser said in an email to Life News. "Planned Parenthood's blatant disregard for life and the health and well-being of the people that they claim to serve has gotten so bad that even the press can't keep these stories from coming out anymore ... Aside from being the biggest abortion business in the U.S., Planned Parenthood has been able to dodge the FR nightmare that comes with doing such a poor job with anything other than killing babies in the womb. Until now," she added. Dannenfelser explains how Planned Parenthood puts the lives of women having abortions in jeopardy by slowing down their access to lifesaving medical care in cases of botched abortions ... "If Planned Parenthood can't be bothered to get an ambulance on-site ASAP to save their own patient from their lackluster 'health care,' why do they deserve YOUR hard-earned tax dollars??? They don't." Time to defund Planned Parenthood. (lifeneews.com, 3/25/25)

Speaking up For Life

"In the resurrection we find solace in our mourning, in our uncertainty, and in our troubles. Our longing for escape finds its hope in the resurrection of Christ. It is God's approval upon the redemptive work of His Son. It is the assurance that as He was raised from the dead, so shall we, and all who have 'fallen asleep in Him' shall be raised to life eternal." Pastor Robert Fleischmann, *Christian Life Resources*

"So, what can we do? We must keep doing what we have always done. We must continue to be Gospel-motivated voices For Life. We must be sure our own church members, families, friends, and co-workers understand the value that God places on all human life." Diane Albers, *President of Lutherans For Life*

"Scripture and prayer are our strongest weapons to change hearts, and we must persist and never give up, no matter how disappointing things get with evil laws being enacted or evil intent coming our way." Virginia Flo, *Director of Volunteer Relations, Lutherans For Life*

"It is He who sustains us each and every day. It is He who brings us into the world and He who draws our earthly lives to a close at the proper time. It is He who was born for us, He who died for us, He who rose for us, and He who reigns on high for us. His is the pattern of our lives." Deaconess Bethany Stoeber, *Director-at-Large, LFL of Kansas*
