EQUIPPING GENERATIONS FOR LIFE IN CHRIST

OCTOBER 2025

"One generation shall commend your works to another" Ps 145:4

WORSHIP WED. @ 6:30PM | SUN. @ 7:45 & 10:00AM

LETTER FROM PASTOR

"But as for me and my household, we will serve the Lord."

- Joshua 24:15

There are so many blessings that come from being in the church, none greater than being blessed with life giving faith in our Savior Jesus. But another blessing that we are particularly grateful for, especially in this day and age, is unity. We are united in what we believe and confess to be true. We are united in our mission of Equipping Generations for Life in Christ. We are united in building up strong Christian households, so that we may be faithful members of our communities as well.

Yet we live in a world that is so divisive. Our world is so divisive that when we state the definition of how God made us as men and women, conflict arises. That when we see the horrifying death of a young man happen right before our eyes, we need to have a discussion about why that took place. Death is bad. It always is. It always will be. That is, until it is no more. Relationships are being tested and broken on account of things that are so rudimentary and foundational. How do we respond to this reality?

We respond in unity. The church stands together. We stand together in our confession of the Apostles' Creed, who God is and what He has done for us. We stand together in prayer, fully understanding that our God provides through all of our days, and is worthy of our praise and thanksgiving.

We stand in unity in worship, receiving regularly the Word of God and the Sacraments He gives. We stand together in unity as those who have been bought back and redeemed by the blood of Jesus shed on the cross, and gifted everlasting life by His resurrection. May we continue to raise and lead our households in this way.

It doesn't stop there. We also stand in unity in love for our neighbor, including those who oppose us, hate us, and even may be a danger to us. We stand in unity in our compassion for the people of this world who are lost, broken, and in need of a Savior. We stand in unity knowing that we too are broken, but out of His love for us, God sent His Son to save us. How could we not be motivated to share that with all people? We stand in unity of the truth in love and service.

It starts in your own household. Equip your children with the faith that God has given to you. Love your spouse in a way that Christ has loved you. And from there, we serve as missionaries in schools, at the workplace, and in our communities. May God continue to bless Zion Wayside, that together, we may continue to be united in faith, for the sake of our families and all of those around us.

In Christ,

Pastor Kyle

Hello Zion Family,

11 But Moses said to God, "Who am I that I should go to Pharaoh and bring the children of Israel out of Egypt?" **12** He said, "But I will be with you, and this shall be the sign for you, that I have sent you: when you have brought the people out of Egypt, you shall serve God on this mountain." **Exodus 3:11-12**

October brings a lot of exciting things for Zion with school fully in swing, halfway through our first session of education hour, our Open House at the end of the month, and Trunk-or-Treat. It is also church worker appreciation month - October 12th set aside for pastors & October 25th set aside for commissioned workers (deaconess, DCM, etc). When we think about church work, we can look all the way back to the Old Testament. In Exodus, we see Moses (who we now know to be a great leader) approach a bush that is on fire and receive instructions from God himself to lead the children of Israel out of Egypt. What was Moses' reaction? Who am I that I should do this?! He doesn't want to! He's not the only one in the Bible that has this reaction to God's calling. Remember someone named Jonah? How did that end for him? The people of Nineveh repented, but he had to get there the hard way. Surprisingly, maybe not surprisingly, this can be the reaction of those that God calls now, in the present day, to serve his church. Reactions might be the same as Moses. Who am I to lead God's people? However, God calls, he equips, and some of the most unlikely people lead.

In the history of Zion, God has set apart quite a large number of people to serve him as a called worker. Countless teachers, pastors, and other commissioned workers have come from this congregation.

Why is this? Zion as a congregation is firmly rooted in God's Word and sacrament. The church has not strayed from His teachings and from passing the Word down from generation to generation. Zion is living out its mission statement! Men and women see the effect that God's Word has in the lives of those around them, and they realize the call from God to continue to work in the church. His Word is powerful!

How can we keep being encouraging of younger generations to continue the trend and seek out church work fields? If you see someone who has the knack for exposition of the Word, maybe put the idea out there for them to preach or teach. Someone is talented in music, maybe they would be fit for a Director of Parish Music role or Music Education. There are numerous fields for serving the church that maybe you don't even know about. How do you find what way you might serve based on the gifts God has given you? The LCMS has an initiative called "Set Apart to Serve" which shares videos of those who have been called to serve, there are resources for talking to youth of all ages about church work, there's suggestions for those second career folks who may hear a call from God later in life, and there's talking points that one can use if they see someone who would be a great church leader. Visit lcms.org/set-apart-to-serve to find out more.

As we enter into October, I thank God for the wonderful called workers we have here at Zion who serve faithfully and with purpose. Continue to keep our called workers in your prayers, we need it! Serving God can be both rewarding and challenging! And if you're considering church work, we'd love to talk to you!

To God be the Glory,
Hillary Krahn

Dear Congregation of Zion Lutheran Wayside,

I have accepted and confirmed my internship assignment at Zion Lutheran Church of Wayside for the years 2025-2029. I received this assignment with great enthusiasm, and I am eager to grow, learn, teach, and witness alongside all of you the gifts and goodness that Christ provides.

The opportunity to apply my theological training from Concordia Seminary, St. Louis, and gain practical diaconal experience is appreciated and cherished. I look forward to the formation that will come from the leadership here at Zion Wayside and nurturing the growth of God's kingdom in the community.

I want you all to know that this is not just a professional endeavor I take seriously, but I am also deeply honored on a personal level to be able to do this work here, at this church, with this congregation. You all have been a beacon of light for me and my family, and I am humbled to have the opportunity to serve in this capacity.

God Bless you all!

Near Zion Families,

Greetings in our Lord and Savior!

The school year is underway and going really well. We have had several successful events happen already this year. On September 11th we had pledges and prayers by the flag pole to honor the victims that lost their lives on September 11, 2001. Thank you for all that attended. We also had a very successful prayer march at Zion and Walk-A-Thon at NEW. Thank you to all the people that gave generous donations in support of these events. If your donation is sitting on the counter, it is not too late to send it in. The 8th graders did a wonderful job writing and leading the students in prayer all around Zion. It is always enjoyable listening to our students share their faith.

Also, volleyball, soccer and cross-country seasons are underway and going well. The students are glorifying God during these sports and enjoying the competition with the Lakeshore Lutheran teams.

Finally, Zion is hosting Trunk or Treat again on Friday, October 31st. "TRUNK OR TREAT" events are fun ways to bring families in the church and school together for fellowship and a safe place for kids to trick or treat. In these events, people park their cars in parking lots and decorate the trunks and hand out candy. Children "trick or treat" by going from car trunk to car trunk rather than going door to door at houses. The event will begin at 5:30pm and end at 7pm. The event will also include food, beverages and a hay ride. We would love to have members of the church participate and attend. If you are interested please contact the school office to secure your spot. God's blessings, have a healthy and enjoyable month of October.

*In His Service,
David Gosa*

Tiny premature twin babies who were born at only 20 weeks gestation have defied the odds thanks to a life-saving twin cot. Marcus and Macie Lee, from Glasgow, were born prematurely after their mother, Jennifer Prior, developed complications during her pregnancy at 20 weeks gestation. Hospital staff warned that the children were likely to be stillborn. However, fortunately, this was not the case, and the tiny babies were born weighing only 1lb 3oz and 2lb. Even though they had made it safely out of the womb, they had to spend the first ten weeks of their lives in the Neonatal Intensive Care Unit (NICU) of Glasgow Children's Hospital. Thankfully, after receiving round-the-clock care from medical staff, Marcus and Macie were able to leave the hospital after three months. "As time went on they thrived more and more with very little complication," Jennifer said. "Being told the worst was likely to happen ... then for the complete opposite, felt like a miracle. I'll never forget the feeling of thinking I wouldn't leave without my babies. I was there day and night ... hoping someone would give me some hope and confirmation they would survive." The newborn twins were the first to use the hospital's new co-sleeping cot, which medics believe "made a massive difference to their progress." (Read more: lifenews.com/2025/08/10/twin-premature-babies-born-at-20-weeks-defy-the-odds.)

Speaking up For Life

"Let us never forget and continue to trust in God as our only resource when we face difficult life issues. Continue to pray for our country as some leaders continue to pursue making laws that jeopardize precious lives and challenge God's plan for life. Let us put our trust in God, not man." *Virginia Flo, Director of Volunteer Relations, Lutherans For Life*

"I pray that you will recognize and value those people in your life who were blessed by God so they could be a blessing to you! I especially pray that you will then use the blessings God has bestowed on you to bless those around you and to pass these blessings on to your own descendants to a thousand generations. Now is the time to pass on the gift. Now is the time to pass the baton to the next runner in the race! To God be all the glory!" *Barbara Lane Geistfeld, Lutherans For Life*

"When we engage in the political process, we as Christians rightfully assert these rights, knowing that in doing so we are defending not only or even primarily ourselves, but our neighbors ... By asserting the right to life, and to other natural rights, we are in fact confessing God's given order." *Rev. Dr. Peter Scaer, Concordia Theological Seminary*
