THE STORY OF CHUCKS

My Grandfather "Chuck" served in the Navy during WWII as a A&P mechanic, After serving his country, he became a corporate pilot. During his time as a pilot, he flew many aircraft. He traveled around the world several times. He flew during the 1950's before retiring in the early 1970s. Whenever you asked Chuck what he was doing, his reply was always "just piddling". He soon traded flying for cooking and began piddling in the kitchen. All of us grandchildren loved his cooking, especially his fries. We use Chuck's World Famous Hand Cut Fry recipe to this day here at Chuck's. Always cut fresh in house daily
