PERSONAL PROFILE:

I am a Belgian Nurse, Midwife, Lactation Consultant, Infant Massage Instructor and mother of 3 children. I studied and qualified for Nursing & Midwifery in Belgium in 2000. I have been living in Ireland since 2001 where I have worked in the different areas of the Irish Maternity Sector. I have great interest and passion for guiding, supporting and caring for women and their families throughout their journey of pregnancy, birth and beyond. I am always honored, delighted and dedicated to be the midwife alongside of a mother in need of maternity, midwifery care and support.
