

QUICK SHINE

SHAKE WELL BEFORE USE

Application Instructions

1. Test the product on an inconspicuous area before applying.
2. Make sure the surface is clean and dry.
3. Make sure surfaces are cool and dry. Do not apply in direct sun or if the surface is above 85°F.
4. Apply light spray directly on exterior surface or on a clean & dry microfiber applicator, apply the product evenly with complete coverage and an even layer. Material will require a light wipe to remove any remaining residue, turning the towel frequently. Buff to a shine with a dry towel.
