The Pond

At the heart of the property lies our 2,000 m² pond — home to ducks, turtles, and a gentle fountain that ripples across the water.

Possible ceremony and gathering spots around the pond include:

- **The Deck** – a wooden platform built directly over the water (pictured above).
- **The Main Lawn** – open and sunlit, conveniently next to the Garden Pavilion and ideal for larger gatherings or sweeping views of the pond.
- **Beneath the Blooms** – shaded, intimate spots under seasonally flowering trees like cherry blossoms or magnolias, perfect for smaller ceremonies or portraits.

Garden Pavilion

Our 30x30 ft open-air Pavilion sits beside the main lawn, overlooking the pond and gardens. Draped in string lights and wrapped with climbing roses and clematis, it offers a breezy, shaded space that's beautiful in any weather.

Perfect for an intimate ceremony, a cozy lounge area, or simply as a sheltered spot to toast and take in the view.

The Lawns

Expansive lawns surround the pond, offering open space and flexibility for any celebration.

This area can host ceremonies, garden picnics, or intimate daytime gatherings. It's also perfect for photos, lawn games, or a relaxed toast among friends and family.

Rustic Features

Aldergrove Pond House is full of charming, rustic details that give the property its unique character, including a wooden barn and small animal coops. These features add many charming and whimsical backdrops for phototaking.
