

CAPACITY BUILDING PROGRAM

As a mandatory training sessions by the CBSE, a two day workshop was conducted for the teachers on the Topics Happy Classroom and Life Skills, where they gained knowledge how to improvise their classroom in terms of keeping the children updated with the skills and technology.

messages related to social awareness and community spirit.

CYBER LAB

Our cyber lab is equipped with cutting edge workstations, each loaded with latest cyber security tools and software. This facilitates a hand on learning experience for students allowing them to interact with real world scenario.

not only enhancing their fitness but also learning essential life skills. Our dedicated team of sport coaches also mentor students, instilling values like teamwork, dedication and overall growth of students by promoting sportsmanship and character building through athletic pursuits.

COUNSELLING AND REMEDIATION FACILITY

We have an In-house school counselor and Remedial support to help students with difficulties in learning, lack of concentration, hyperactivity, behavioral & emotional adjustment.

MEDICAL FACILITY

Our school has a in house medical facility with a nursing station and a paramedical staff available throughout the working hours.

LIBRARY

The school library housed a diverse collection of more than 5000 books, including fiction, non - fiction, reference materials and educational resources, catering various interests and academic needs of the students.

ART

Renowned artists were invited to conduct workshops, providing students with exposure to different artistic styles. These sessions enriched students understanding of the art world. Collaborative art installations were a highlight, allowing students to combine their talents to create impactful visual displays. Their installations often carried

SPORTS

Our school is proud to offer a wide range of sports activities in the sprawling play ground. These facilities cater to various sports, providing students with ample opportunities for physical activities.

For instance students engage in activities like basketball, volleyball , basket ball, badminton, cricket, karate, track and field, not

DIGITAL CLASSROOM

To have a blended learning approach, digital classrooms are used to combine traditional teaching methods with technology to create a well rounded and flexible educational experience.

RESULTS

The school's image would be elated with its academic result. The school achieves 100% results from its inception with maximum students scoring A1 grades bringing laurels to the school by following proper revision schedules.

CARTE BLANCHE

During the pandemic time when the world had come to a stand still. Education has to move on, with a view to support the children and to move academics forward, the school has chosen the Microsoft Teams (MT) platform to have the online classes. The teachers are well trained to handle the online classes and certified as Microsoft Innovatie Expert Educators (MIEE) and we are proud to be a Carte Blanche school from Microsoft Teams in the twin cities.

BROCHURE - CBSE

We are excited to share the latest updates on the vibrant co-curricular activities and events that have been unfolding at Oxford Grammar School in Term-1. We understand the significance of these activities in nurturing holistic development of our students and fostering love for learning beyond the classroom.

The year started with successful note with the bridge programme for all the classes where the teachers focused on the core areas of reading, writing, developing analytical and critical thinking skills in the form of worksheets, followed by regular classes from the month of April'2023.

Here is a snapshot of some of the interesting activities and events that have taken place recently. The school re-opened on the 1st June, 2023 for teachers and the school management provided good opportunity for the teachers to develop their teaching skills by conducting various training sessions by our school consultant.

The Publishers orientation sessions were a valuable opportunity for our teachers to get acquainted with the new Educational methodology. It offered a sense of enthusiasm and readiness to embrace these resources, to enhance their teaching practices and benefit our students.

The parent orientation program for grade 1 and grade 10 was successful and ensured that parents have a good understanding of the school's ethos, expectations and available support system.

World Environment Day June 5th
Preparing today for a better tomorrow on World Environment Day.

On the occasion of World Environment Day (June 5th) our green thumbs have been hard at work; tending to the school garden and participating in Eco-Awareness campaign. We are instilling in our students a deep sense of Environmental Responsibility.

VANMAHOSTAV

The management, teachers and students of our School organized Vanamahostsava on 07th July, 2023 in the school premises. The Chief Guest Sri. G. Ramalingam (IFS), Chief conservator of forests, (Social Forestry) and In-charge Chairman, Tree Protection Committee, has planted a tree. Van Mahotsav is an annual tree-planting festival organized by the School, over the years by planting saplings in the school premises and by distributing them to the parents and neighbourhood. This festival was organised to create awareness about importance of trees, as they are one of the best ways to prevent global warming and reduce pollution.

INTERNATIONAL YOGA DAY

The International Yoga Day celebration in the school premises was resounding success. It created awareness about physical as well as mental benefits of yoga and encouraged students and staff to practice yoga as a part of their daily routine.

PEACE HOUR

To encourage the students and staff to reflect on the importance of Peace in our lives and the world, "Peace Hour" was observed in order to commemorate the Hiroshima and Nagasaki Day. The entire school came under one roof and expressed their thoughts in the form of messages and drawings, which were mounted on the Peace wall. A peace run was organized at Tank Bund by the Senior grade students.

Children walked for about 2 kilometers with banners & slogans of Peace to spread the message. The students were escorted by PET Mr. Venkat Rao and Math faculty Mrs. Rajeshwari of Senior School.

SAILING CLUB

Students visited the Secunderabad Sailing Club, observed and interacted with the sports men of International Sailing championship at Secunderabad, Sailing Club. The founder of the Secunderabad Sailing Club and Senior Navel Officer explained the children the rules and regulations and advantages of the Sailing Sport as a career. Children clarified their doubts about the sport and have taken the inspiration from the young sailors of the Championship.

FIELD TRIPS

One of the most enjoyable and memorable day for every school going child is the "Picnic Day". Field trips were planned and executed to various places like zoo park, Choumahalla Palace, Secretariat visit and Vansathalipuram Deer park.

The trips aimed to provide fun with real World Learning experiences and also provided Students with valuable educational experiences, promote social interaction and encouraged them to be responsible and independent.

SWACH BHARAT ABHIYAAN

This campaign raised awareness among students about the importance of cleanliness and Sanitation. The students

actively participated in Cleanliness Drive. This not only contributed to a Cleaner Environment but also instilled a sense of civic responsibility and Dignity of Labour.

INDEPENDENCE DAY

Freedom in the mind, Faith in the words, Pride in our souls..... We salute and honour our freedom fighters. On the auspicious occasion of India's 77th Independence Day, OGS celebrated this historic day with great enthusiasm and patriotic fervor. The day was marked with Flag Hoisting Ceremony by the Chief Guest Dr. Chinmayee Tammareddy (Psychologist) followed by a series of events that showcased love and respect for our mother land. The celebration was not just a reminder of our glorious past but also a promise for a brighter and better future.

INVESTITURE CEREMONY

The Oath, the Badge and the Responsibility.....

The prestigious investiture ceremony was a moment of pride and honour for OGS. The ceremony underlined the school's commitment to nurture future leaders and uphold its cherished tradition. The newly elected student cabinet were allotted their badges by Chief guest Mrs. Jayasudha and were also inspired by her speech. The school cabinet is all set to be the torchbearer for a successful academic year.

CELEBRATIONS

The National festivals as well as the religious festivals like Raksha Bandhan, Eid, Ganesh Chaturthi, Dusshera were celebrated with zeal and enthusiasm performing fun filled activities by students and staff members.

STRESS MANAGEMENT WORKSHOP FOR TEACHERS

In a very interesting and effective session called 'Empower your self and Empower the Nation' Dr. Chinmayee Tammareddy (Psychologist) guided the teachers about the functioning of mind and techniques for the relaxation, mindfulness and improving student output.
