Education is not preparation for life; Educations is life itself.

Oxford Grammar School was instituted 41 years ago and since then have been at the fore front of value based progressive schooling in the city. 2010 mark the new journey in incorporating the CBSE stream with the Vision to Education, Enlighten and Empower and has been tested over years and proved to be effective and successful, time and again. It's truly an honour for us as we see our students grow, thrive and take on the world.

We aspire not only in imparting education and matching with the advancement in the technology, we endeavour constantly by trying to enhance in students, variety of creative activities which unfolds their imagination and give life to their thoughts and aspirations which would unleash the wide spectrum of Reading, Writing, Dramatics, Music, Arts and Crafts.

Instilling design thinking in the early teams students are provided with multiple learning opportunities to built 21st century critical thinking, problems solving, innovating and collaborating. Learning is not a process limited to school or any educational institution. It is life long process. Our school

is oriented to the total formation of a child and to adaptation of various methods.

CBSE stream has come out with flying colours in the board examination with 100% results from the year of affiliation including this academic year 2020-2021, inspite of the challenging situation. Our school have gone through a continuous processing of learning and hence could implement a well balanced curriculum to ensure that the children who walk into the portals of our school are prepared in academic as well as co-scholastic activities and are ready to take up all challenges and face the world successfully.

The only way to make sense out of change is to plunge into it, move with it and joined the dance.

The year 2019-2020 has seen a paradigm shift in the thought process and life style of every individual. "Hope" is undoubtedly, the elixir of life that led us amid the pandemic disruption. Our young dynamic Chairperson MRS. PRARTHANA MANIKONDA took the right decision and having a perfect future vision, taking up the reins to face the challenging situation

collaborated with MICROSOFT TEAMS to motivate and steered towards the spot on the mode of online classes providing an immense support to go through the continuous process of learning and cutting edge technology. The relevant skills and tools provided by MICROSOFT TEAMS enriched the learning experience for students and facilitators that help them to progress in academic and co-scholastic arenas, not to lose our focus and pursue our dreams to celebrate success. This was possible as the facilitators and the learners went through rigorous training sessions by the MICROSOFT TEAMS.

We are extremely happy to announce that **OXFORD GRAMMAR HIGH SCHOOL** has been declared as **'CARTE BLANCHE' DIGITAL SCHOOL – 2020**. We are witnessing unparallel changes in the field of the technology where there is a struggle for existence and the strongest and fittest is accepted and appreciated. We fit rightly in the column.

We strive to endow the student with a platform, helping them to broaden their horizon and in the process provide them healthy, refine, holistic and substantial education. We arm our students with technological supremacy and help them to integrate it with values as we firmly believe that every child has the potential to achieve something significant.

'EDUCATION THE MING WITHOUT EDUCATION THE HEART IS NO EDUCATION AT ALL '

The modern infrastructure in our school with wide open spaced Class room, Library, Computer lab, Digital room, Smart class, the Cricket space, Volley ball court provide a wonder ambience for healthy curriculum for the young oxfordians.

Our young thinkers are given opportunities to showcase their creative thinking in areas which keeps them connected to various festivals and celebrations to the values of life.

The celebration of Yoga day to teach them the mantra of a healthy mind in a healthy body is inculcated in every student. The spirit of patriotism on 15th August illustrated by the students through 'A walk to the Gallery of Freedom' taking various technical modes, like SWAY, FLIP GRID, PADDLET, PPT was an wonderful experience of rejuvenating the Era of British Legacy with National Anthem and unfurling the tricolour at the background spreading peace, harmony and humanity. The spirit of festivity, culture and tradition was strung into a garland with various activities like Ganesh making, Candle and Diya making, students showcasing their talents by applying Mehendi on Deewali. Dussehra was celebrated

with pomp and gaiety filling the air with fun and frolic and sprawling ground of our school. Decorating a Christmas tree and celebrating the day with carols is the tradition of our school.

The theme of National Nutrition Week 2020 was eat Right, Bite by Bite. The students observed the nutritious awareness week by adaptive eating. Grade 6th to 10th oriented by their teachers were assigned to present various healthy diets using oats, fruits, millets, sprouts, dry fruits etc.

The co-curriculum activities / English Enrichment Programme inculcated in the regular schedule of the timetable helped in an appropriate exposure for holistic development of every oxfordians. It guided them to be proactive and increase their level of understanding and sharpened their grasping power. Various experiments were taken up to bring out the latent talents of students in various genres like reading, writing, storytelling – in way stretching the venues of their imagination. To improvise the linguist development in every child Oxford Grammar School conducted a Literary Fest where the aim was to bring back the endangered and extinct languages into notice. Oxfordians created a speaking to recreate the aura of spirituality, wellness and life styles through the sermons of various philosophers and thinkers. Exhibit on books from authors like William Shakespeare, Abdul kalam, Charles Dickens were displayed along with the famous speeches and letters of great people to revive the wonderful waves of communication. The installation of Stem Fest with a vertical gardening and no plastic zone was an awesome way to connect the young generation with the clean environment and a nature to nurture.

Oxford Grammar School stream has bagged the best heritage club awarded by INTACH HERITAGE, India. The students were the participants of various International Film Festival and had the privilege to experience interactive sessions with various celebrities.

"A walk to the nature in greenery with birds singing and the sweet breeze around touches our spirit"

The night adventure camp was a excellent initiative taken up by our management was an ice breaking session between the young hearts and the nature after the disruptive pandemic period.

It was a beautiful message to the parents and youngsters to come out of the fear and confinement during the COVID time. All the COVID protocols were followed. Bonfire, Camping, Zip living, Hut making, River crossing, Trekking were the part of the outdoor activities that thrilled the kids to explore the world of nature
