RUNBUDDIES

RunBuddies Sportswear is one of the fastest-growing sportswear brands in India. Started by the runners for the runners, Our founders are Ultra Runners, Cyclists & Golfers from sports pedigree and thrive at the best technology available to assist you as athletes regardless of your chosen discipline.

RunBuddies Sportswear understands the market, current trends and what our customers want. Our Sportswear are specially designed with technical Fabric for good Feel, Look & Fit, using silicon process ,which make the fabric soft and improving wear ability in tropical climate like India.

We are here to revolutionize the sportswear business through our consistent quality, fast turnarounds, and most importantly our prices!

OUR MISSION

RunBuddies Sportswear strives to be a leader in the sportswear industry with a brand built on a passion for sports and lifestyle and are fully committed to continuously strengthening our products and respectability.
