

A DIFFERENT KIND OF LEADERSHIP SUPPORT

Helping business owners manage people pressure before it escalates

WHAT CHANGES WITH BUSINESS CARE? >>>>

Business Care helps leaders:

- think clearly about difficult people situations
- manage people issues earlier before they escalate
- handle difficult conversations with more confidence
- reduce stress and leadership isolation
- navigate psychosocial risk in practical ways
- feel supported when leadership becomes complex

Most importantly, you won't have to carry the responsibility alone.

WHY RESPONDER CARE?

Delivered by senior consultants led by founder Paul McFarlane who have extensive experience supporting leaders with complex people issues and guiding leaders through high-pressure situations.

ONGOING LEADERSHIP SUPPORT

With Business Care, your organisation is paired with a dedicated Responder Care consultant who becomes a trusted leadership advisor over time.

You gain:

- Regular one-on-one leadership support
- Calm guidance during difficult people situations
- Practical advice tailored to your business
- Access to HR, legal and mediation expertise when needed
- A confidential space to think clearly under pressure
