

WHEN SOMETHING SERIOUS HAPPENS AT WORK

Helping leaders think clearly when pressure is highest

WHAT YOU GET >>>>

A Crisis Care session helps you:

- know what to say and do next
- make confident decisions under pressure
- reduce confusion and escalation
- support your staff with confidence
- navigate difficult situations with greater clarity
- ask your questions in a safe space

Most importantly, you won't have to carry the burden alone.

WHY RESPONDER CARE?

Delivered by senior consultants led by founder Paul McFarlane who have extensive experience supporting leaders through workplace deaths, critical incidents, traumatic events, and high-pressure situations.
