

## LEADERSHIP SUPPORT FOR FRANCHISE OWNERS

*Just 60 minutes a month. Only \$299 per month + GST.*

### FRANCHISE CARE HELPS OWNERS

- think clearly about difficult staff situations
- manage people issues before they affect culture or performance
- handle difficult conversations with greater confidence
- lead teams across one or multiple locations
- navigate workplace wellbeing and psychosocial risks
- balance the demands of staff, customers and franchisor expectations

**Most importantly, you won't have to carry the responsibility alone.**

#### FRANCHISE CARE FOUNDATION

- ✓ 60 minutes each month
- ✓ \$299 + GST per month
- ✓ An experienced advisor who gets to know your business
- ✓ Support between sessions when you need it

### WHY RESPONDER CARE?

Led by Paul McFarlane, former Senior Chaplain with NSW Ambulance and workplace wellbeing executive, Responder Care helps leaders navigate difficult people situations, critical incidents and complex workplace challenges with confidence.

### THE SUPPORT EVERY FRANCHISE OWNER WISHES THEY HAD ▷▷▷▷

Every Franchise Care client works with an experienced advisor who gets to know your business and becomes someone you can rely on when people challenges arise.

You gain:

- Someone who gets to know your business.
- Someone to help you prepare for difficult conversations.
- Someone to work through people challenges before they become bigger problems.
- Someone you can call when something unexpected happens.
- Someone in your corner when leadership gets complicated.

### BOOK A 20-MINUTE FRANCHISE CARE CONVERSATION

Scan the QR code or **CLICK THIS LINK**

to arrange an initial Franchise Care conversation.

We'll learn more about your franchise operation, discuss your current leadership challenges, and explore whether Franchise Care could become part of your support network.
