

Trusted support
for the **people** side
of your practice.

LEADERSHIP SUPPORT FOR PRACTICE OWNERS

*Just 60 minutes a month.
Only \$299 per month + GST.*

PRACTICE CARE HELPS YOU

- think clearly about difficult staff situations
- support a team exposed to emotional demanding work
- handle difficult conversations with greater confidence
- retain good people in a competitive workforce
- navigate workplace wellbeing and psychosocial risks
- balance patient care, client expectations and team wellbeing

Most importantly, you won't have to carry the responsibility alone.

PRACTICE CARE FOUNDATION

- ✓ 60 minutes each month
- ✓ \$299 + GST per month
- ✓ An experienced advisor who gets to know your practice
- ✓ Phone or email support between sessions

WHY RESPONDER CARE?

Led by Paul McFarlane, former Senior Chaplain with NSW Ambulance and workplace wellbeing executive, Responder Care helps practice owners navigate difficult people situations, emotionally demanding work, critical incidents and complex workplace challenges with confidence.

THE SUPPORT EVERY PRACTICE OWNER WISHES THEY HAD >>>>

Every Practice Care client is paired with an experienced advisor who gets to know your practice and becomes someone you can rely on whenever people challenges arise.

You gain:

- Someone who gets to know your practice.
- Someone to help you prepare for difficult conversations.
- Someone to work through people challenges before they become bigger problems.
- Someone you can call when something unexpected happens.
- Someone in your corner when leadership gets complicated.

BOOK A 20-MINUTE PRACTICE CARE CONVERSATION

Scan the QR code or **CLICK THIS LINK**

to arrange an initial Practice Care conversation.

We'll learn more about your practice, discuss your current leadership challenges, and explore whether Practice Care could become part of your support network.

Because healthy teams provide better care
