The Provider also commits to rescheduling if experiencing symptoms of illness and will not attend any session if there is any risk to the Client or their space. If either party is sick, the session will be rescheduled with **no cancellation penalty**.

Communication is key. The Client should contact the Provider as soon as possible if they are feeling unwell. If the Provider arrives and observes clear signs of illness, the Provider reserves the right to cancel the session on the spot. In such cases, the session is **non-refundable** and will not be rescheduled unless cleared in advance.
