

Tropicoal Nusantara Global

The Perfect Briquette, **to Lead the Market.**

About Company

PT. Tropicoal Nusantara Global was founded by a team of professionals with extensive experience in international trade and natural resource management. Through [Tropicoal.id](https://tropicoal.id), we channel this collective expertise to serve as your trusted partner for premium briquettes. We are passionate about bridging the gap between Indonesia's high-quality resources and the global market, fostering reliable and sustainable partnerships to support your business growth.

Our Vision

To be the world's leading export partner for premium Indonesian charcoal, renowned for reliability and a commitment to sustainable quality.

Our Mission

```

```

Empower global businesses with an unparalleled supply of premium Indonesian charcoal.

Ensure superior product quality through meticulous sourcing and stringent quality control.

Provide excellent and highly reliable export services.

Foster eco-friendly business practices across our operations and supply chain.

Build strong and sustainable partnerships with all stakeholders.

Our Slogan

**“The Perfect Briquette,
to Lead the Market.”**

Meet the Founder

"Faris Ewing Pratama established PT. Tropicoal Nusantara Global with a clear mission: to bring the quality of "The Perfect Briquette, to Lead the Market". As the Founder, he actively directs the company's export operations, ensuring every client receives highly reliable service and a product that exceeds expectations. For him, every shipment is a representation of Tropicoal's commitment to excellence and integrity. He is personally involved in forging relationships with partners worldwide, ensuring every collaboration is built on a foundation of trust and mutual success."

Faris Ewing Pratama Founder & CEO

"As the Co-founder and Director of Operations at PT. Tropicoal Nusantara Global, Annisa Azzahra is the backbone of our commitment to quality and efficiency. She oversees the entire supply chain, from meticulous sourcing of raw materials to the final stages of quality control and shipment. Her sharp attention to detail and dedication ensure that every briquette meets the highest international standards, guaranteeing reliability for our partners worldwide."
