

## New Year, New Look!

Welcome to the latest issue of Blackberry News! We're excited to share our freshly refreshed shop with you—new displays, a new look, and an inspiring collection of new work, all lovingly handmade by our talented local artisans. Whether you're stopping in to treat yourself or beginning the search for a meaningful Valentine's Day gift, we invite you to explore what's new and rediscover the joy of giving something truly special.

### SHOP REFRESH

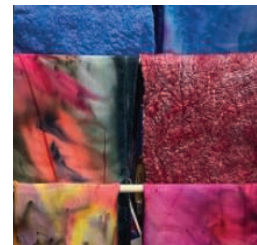

During the first week of January, our artists rolled up their sleeves for our annual shop refresh—painting, cleaning, and reimagining the space to create a brighter, more welcoming shopping experience. With refreshed displays and thoughtfully arranged work, the shop feels renewed and ready for the year ahead. We invite you to stop by and see the

changes for yourself—one of our artists is always on hand to welcome you and share the stories behind the work.

### IT DOESN'T HAVE TO BE RED

Valentine's Day is almost here, and who says love has to be red? At the Blackberry Gift Shop, Valentine's gifts come in every colour, shape, and creative expression imaginable. From sweet little surprises under \$20—like wood carvings, magnets, and fabric pouches—to show-stoppers like scarves, glass, ceramics, jewellery, and art for the wall, there's something for every kind of love and every budget. Pop in and have some fun choosing a handmade gift that's as special and unique as the person you're celebrating.
