

**Water & Sewer**

# **IMPORTANT NOTIFICATION**

**WATER SERVICE IS OR HAS BEEN SHUT OFF IN YOUR AREA.**

When water service is out, a potential health hazard may exist in these areas of zero water pressure from backflow and/or back-siphonage of water of unknown quality into the water distribution system.

### **Once your water service is restored**

You should boil all water before use for drinking, cooking or preparing baby food. The water should be boiled for at least one full minute after reaching a full boil.

**48**  **HOURS**

### **Continue to boil water**

Boil your water for 48 hours after water service is restored, unless notified otherwise by the Forsyth County Department of Water & Sewer.

**For additional information regarding this boil water notification, please contact  
Forsyth County Water & Sewer at (770) 781-2160.**
