OPENING NOTE

From Conversations to Continental Influence:

Over the past year, Conversations & Connections (C&C) has evolved into something far more powerful than a convening platform.

We have become a trusted ecosystem that brings together decision-makers, builders, and forward-thinking leaders in intimate, high-value spaces where conversations translate into opportunity.

What began as curated gatherings has now grown into:

- Strategic experiences
- Executive immersions
- Cross-border engagements
- A rising voice in intra-African collaboration

This is our journey so far.

Our Mission

- To convene Africa's most thoughtful and action-oriented leaders in curated environments that drive: **Clarity, Collaboration, Commercial opportunity & Continental advancement**

About C&C

- C&C is a prestige, membership-based network designed for individuals who understand that the right room can change everything. We insist on intimacy, curation, strategy and non-permomativeness

THANK YOU TO OUR PARTNERS

DECEMBER 2024

INCEPTION (LEADERSHIP) DINNER: A CURATED CHRISTMAS GATHERING OF LEADERS

C&C's journey into structured convening began with an intimate Christmas dinner that brought together a remarkable mix of leaders across sectors.

In attendance were senior figures including:

- Executives from Wema Bank
- The Honourable Commissioner for Commerce, Lagos State
- Leadership from Charterhouse School
- Respected professionals including Dr. Banji Awosika

What made this moment pivotal:

- It established the tone of intentionality and curation
- It demonstrated the power of small, high-quality rooms
- It sparked the foundation for what would become a trusted network

This was not just a dinner. It was the beginning of a movement.

SEPTEMBER 2025

EXECUTIVE TOUR: LEKKI FREE TRADE ZONE & ALARO CITY

C&C moved from conversation into economic exposure and real-sector engagement with this executive tour.

Participants explored:

- The Lekki Free Trade Zone ecosystem
- Alaro City as a model for integrated urban and industrial development

Why this mattered:

- It bridged the gap between conversation and context
- Provided firsthand insight into Nigeria's evolving economic infrastructure
- Sparked investment thinking and strategic positioning

> We don't just talk about opportunity—we take our members to see it.

THE NEXT LEVEL YOU: WOMEN'S IMMERSIVE EXPERIENCE (THE DELBOROUGH, LAGOS)

This immersive experience marked a significant step in C&C's expansion into structured transformation experiences for women.

Designed as a deep, reflective, and strategic engagement, the session focused on:

- Personal clarity and reinvention
- Identifying commercial opportunities from lived experiences
- Building confidence and executive presence

Key Outcomes:

- Participants developed clear personal and professional direction
- Powerful peer connections were formed
- Attendees left with structured pathways to their next level

It was not just empowering—it was activating.

CHRISTMAS LEADERSHIP DINNER (THE DELBOROUGH, LAGOS)

This landmark event reinforced C&C's position as a high-level convening platform.

Distinguished attendees included:

- Ambassador of Botswana to Nigeria
- The High Commissioner of Denmark to Nigeria
- CEO, Impact Investment Foundation
- Senior leaders across business and policy

Atmosphere & Impact:

- A room defined by influence, insight, and intentional dialogue
- Cross-sector and cross-border conversations
- Strengthening of global and diplomatic connections

This was C&C at its finest—intimate, powerful, and globally relevant.

CURATED BRUNCH NETWORKING EXPERIENCE

This experience reflected the evolving nature of C&C—where structure meets ease.

The brunch created space for:

- Authentic conversations
- Strategic introductions
- Organic relationship-building

What stood out:

- A relaxed environment with high-value engagement
- Meaningful connections without the pressure of formal settings

Sometimes, the most powerful conversations happen in the most relaxed rooms.
