What is ReOrg and Why it's Critical

Every two years, we clear more swamp out of the Republican Party in Greenville County and Columbia, SC! **Let's make sure that MAGA is in control in 2025-26**, both here at home, as well as in the leadership role for the Republican party in South Carolina. All we need is your attendance on March 1, so you can vote MAGA.

The entire power structure of the Republican (GOP) party actually bubbles up from the precincts during ReOrganization, also known as "ReOrg." ***The few who simply show up to participate actually make the rules for all the GOP voters in the County and State!***

THE SECRET ELECTION

Why do most MAGA Republicans not know about ReOrg? Because the RINOs have been in control of our State and County party for decades, and they don't want you to know about it. With your attendance and vote at ReOrg, we can change that.

MARK YOUR CALENDAR NOW
SATURDAY, MARCH 1, 10AM

President Trump said to "Fight Fight Fight" and on March 1st, the most important thing you can do is simply SHOW UP.

We also need to make sure that Greenville County's MAGA-led Republican Party STAYS MAGA. **Steve Bannon, host of *Bannon's War Room on Real America's Voice* TV talked on air about MAGA's sweep of the GCRP party in 2021**, and *War Room* CEO Maureen Bannon just visited us recently! We are ON THE MAP nationally! Our MAGA county party leaders use their positions to grow the MAGA movement. Just look:

- We flipped our county council back to conservative with 4 new members.
- We flipped the Simpsonville City Council to conservative with 2 new members.
- We helped elect MAGA people to many positions across the county.
- GCRP was 5th in the nation for phone calls supporting President Trump.
- We hand-wrote and mailed thousands of postcards to voters in Pennsylvania, Michigan and NC in support of President Trump.
- We constantly recruit and vet candidates for office. *Who do you know?!*

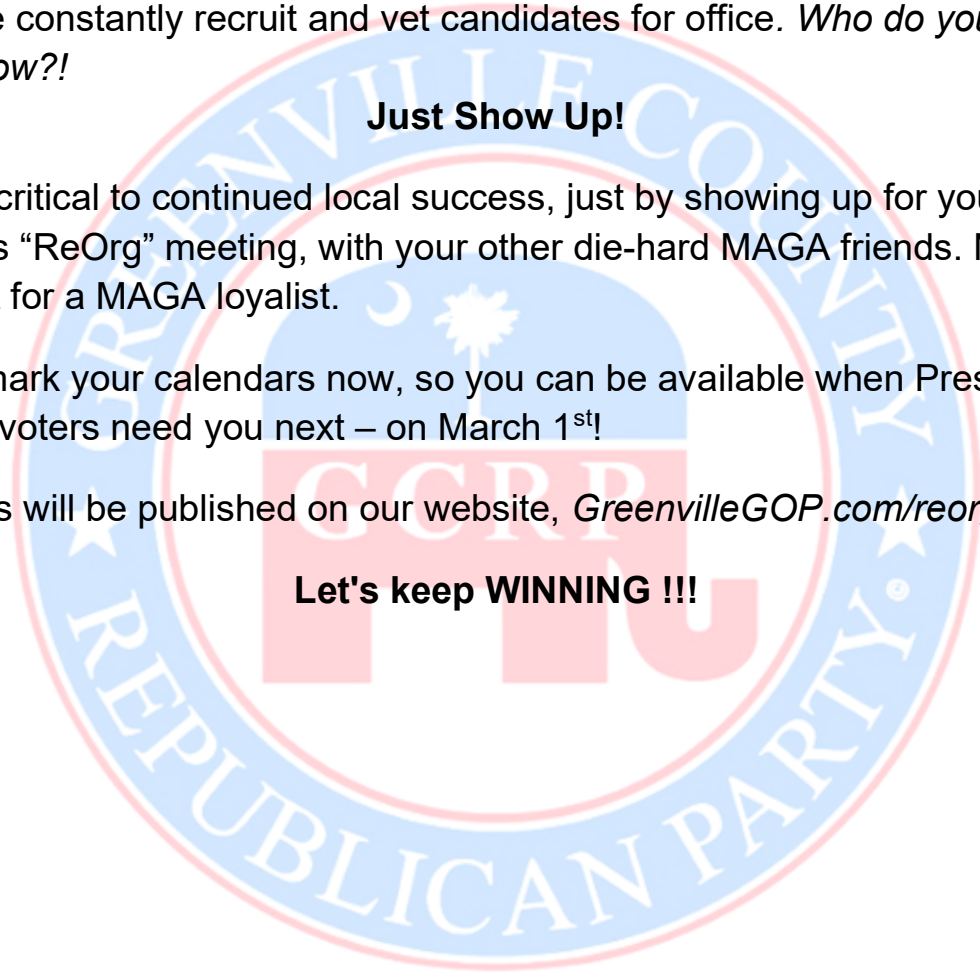

Just Show Up!

You are critical to continued local success, just by showing up for your precinct's "ReOrg" meeting, with your other die-hard MAGA friends. Not a heavy lift for a MAGA loyalist.

Please mark your calendars now, so you can be available when President Trump's voters need you next – on March 1st!

Locations will be published on our website, GreenvilleGOP.com/reorg

Let's keep WINNING !!!

What to do BEFORE ReOrg

1. Leadership should determine and arrange precinct meeting locations. Meetings must be held in a public location. They cannot be held in your home. Try to find a location that is free to use.

2. Suggested locations include:

- Precinct voting place
- Neighborhood clubhouse
- Neighborhood church
- Fire Station with a public meeting room
- Library¹

3. Review location special requirements including:

- Hours of operation
- Rental fees
- Does it require insurance
- Restrictions on food/ beverages
- Handicap access
- WiFi access

4. Contact current precinct members, neighbors, etc. and invite them to ReOrg. Refer to the “Advertising your Meeting” section in this manual for sample emails, text messages and other marketing tools that you can use for outreach. Remind attendees to bring:

- Driver’s License
- Voter Registration Card or Voter ID number (if you have it)
- Check, Cash, or be prepared to pay any fees online through a link or QR code (*Directions for using the payment link to Anedot are provided in this document*)

5. Determine a Slate of America FIRST candidates to fill the precinct offices and Delegates to the County Convention.

- Executive Committeeman (EC)
- President
- Vice President
- Secretary
- Treasurer
- Delegates & Alternate Delegates

¹ Libraries restrict the collection of fees. If people want to pay membership dues or fees to attend the county convention, you will need to collect them using the Anedot QR code or link. See the Fee Collection page for details.

What Leaders Should Prepare or Bring to ReOrg

- Laptop Computer / Smart Phone to look up voter information
- Ink pens
- ReOrg packet with label that lists the number of Delegates to elect for your precinct
- Sign-in sheet
- Multiple copies of the meeting agenda (sample included here)
- Multiple copies* of any pre-determined precinct **slate**
- Form 1 – enough copies for all attendees
- One copy of Form 2 (included in packet)
- Extra copies of Parliamentary Procedure wording
- Refreshments (optional)
- Signage directing people to the meeting location (optional)

If your precinct needs to elect 20 Delegates and can also elect up to 20 Alternates, you will need at least 40 copies (and please work to have that many people in attendance to fill both delegate and alternate positions for County Convention). Alternates do get called to fill in, so elect plenty.

A week or so before the meeting, talk with your invitees about the critical positions to be filled (EC and President). Determine who wants to hold a precinct office and if they can be reliable. Then you'll be able to create a "**Slate**" (of officers to vote for) using the included form, for distribution to the invited attendees. Having a slate makes voting smooth and fast.

Requirements to be an Executive Committeeman (EC) and Responsibilities of Precinct Officers and Delegates to the County Convention

Requirements to be an EC

- Per GCRP local Rules, each EC must have voted in at least 2 of the last 3 even-year Republican primaries to be eligible for election as precinct EC.

- Elected Alternate Delegates from each precinct are activated as needed at the County Convention, in the order the names are written on Form 2. They vote in place of any Delegate who has not arrived, or who must leave before voting started.

Advertising Your ReOrg Meeting

- Sample emails, letters, and text messages are provided on the following pages.
- GCRP will also be posting social media messages about ReOrg on the “Greenville GOP” Facebook page. Save some of these graphics to your phone and then share. Digital invites work because they’re easy to share and engaging. We also encourage you to comment on any posts and indicate that you’ll attend. Most importantly, we need you to “Like” and “Share” these posts to your own Facebook page, so your family, friends and neighbors become informed about ReOrg.
- There will be a 4-page newspaper available at the GCRP office, as a door hanger about ReOrg. There will be a small charge for each paper.
- Zoom Calls – Beginning February 11, GCRP member Joe C will be doing ‘Speed ReOrg Training’ twice a day via zoom at noon and 5pm for anyone to attend and learn more about ReOrg. You can ask questions about running your meeting. And potential attendees can find out the basics about ReOrg and why this meeting is so important. A link to these calls can be found on the GCRP website in the events section.

Greetings MAGA Patriot!

Donald J. Trump is our President thanks to support from MAGA Patriots like YOU!

Now the Greenville County Republican Party needs your help locally. Your next MAGA Event is Saturday, March 1, 10am.

As Trump says, *“the big decisions are often made by The People who just show up.”*
We need you to show up!

When President Trump said *“Fight! Fight! Fight!”* many of us wondered how we could join the fight to drain the swamp. The simple answer starts right in your neighborhood:

Every other year, each precinct in the county elects one resident to vote on its behalf at Greenville GOP meetings, AND to also vote for Greenville GOP leadership. At this brief meeting – called “ReOrg” – it’s critical that MAGA Patriots are elected. We’ve got to be sure our county’s Republican party is MAGA all the way so we can support President Trump. This is how we “fight fight fight” the swamp in Washington DC and Columbia, SC!

- **Pull out your phone and put Saturday, March 1, 10 am on your calendar, for your precinct’s “MAGA Meeting.”**
- **Reply to this email, OR text OR call me, and say “I’ll be at the MAGA Meeting”**
- ***Forward to like-minded friends, or connect them to me by text or email.***

Our meeting will be held at _____ (fill in location, building name and address).

The South Carolina Republican Creed

I do not choose to be a common man. It is my right to be uncommon.

If I can seek opportunity, not security, I want to take the calculated risk to dream and build, to fail and to succeed. I refuse to barter incentive for dole.

I prefer the challenges of life to guaranteed security, the thrill of fulfillment to the state of calm utopia.

I will not trade freedom for beneficence, nor my dignity for a handout.

I will never cower before any master, save my God.

It is my heritage to stand erect, proud and unafraid. To think and act for myself, enjoy the benefit of my creations; to face the whole world boldly and say, "I am a free American."

How to Run Your Precinct ReOrg Meeting

1. The precinct president, vice president or person designated by the County Chair should call the meeting to order and proceed by the agenda. A sample agenda should be provided on page 16.
2. **Familiarize yourself** with the materials in the packet as well as the proper procedures explained throughout the manual.

Prior to the meeting starting, **secure volunteers to offer the invocation/prayer, lead the Pledge of Allegiance, and recite the Republican Creed** (provided in this manual).

3. Also ensure that whoever plans to nominate your America FIRST slate **knows the proper parliamentary procedure wording** or can refer to it at their table.
4. At the beginning of the meeting all attendees **MUST** complete the top half of Form 1 with their name, address and voter registration number. This Form 1 document will serve as a certified roll sheet and will certify the individual names of those in attendance.
5. The person planning to be the temporary credentials committee should sit at the sign-in table and confirm everyone's precinct membership on SCVotes.gov.
6. At the sign-in table, **have multiple copies** of:
 - the meeting agenda
 - your America FIRST Slate
 - the Parliamentary Procedures for elections
 - fee schedule
7. Only people in attendance may fill out a Form 1; no proxy forms are allowed. A valid voter registration certificate in that precinct must accompany each membership signature on the form (State Party Rule 4-c-3).
8. Adjustments/edits to Form 1 cannot be made after this meeting under any circumstances.

9. To verify membership within the precinct, and thus qualify to vote in ReOrg, each participant must have a current, valid voter registration card in that precinct² or the voter registration must be verified via *SCVotes.gov*
10. Following the sample agenda (provided in this manual), the Precinct President or such person designated by the County Chair must **call the meeting to Order** by stating something like “May I have your attention please. I call this meeting to Order.”
11. **Follow proper parliamentary procedure** (Roberts Rules of Order) **throughout the meeting**, especially during the later election of officers and delegates/alternates. (Included in this manual for reference).
12. **Open the floor for nominations** for the **Election of Temporary Officers** using the sample wording from the Parliamentary Procedures page. You need to elect:
 - Temporary President
 - Temporary Secretary
 - Committee on Credentials (can be one or more people)

The newly elected temporary president will then run the remainder of the meeting.

13. The credentials committee shall report the names of those in attendance who are eligible for membership, verifying that each member is in fact eligible for membership / registered voter in the precinct.
14. Read or explain the responsibilities of the Precinct EC, President and other precinct officers to the attendees. (Descriptions are provided in this manual). One person may not hold more than one office unless there are fewer than five (5) people present at the meeting.
15. **Election of America FIRST Slate of Officers, Delegates and Alternates.** Using the sample wording from the Parliamentary Procedures page, open the floor for someone to nominate the slate as written.

² Either of the following per State Party Rule 4-c-5 and 4-c-3: (1) the person having voted in the election designated for the purposes of delegate allocation or (2) the person being elected to membership at a precinct meeting.

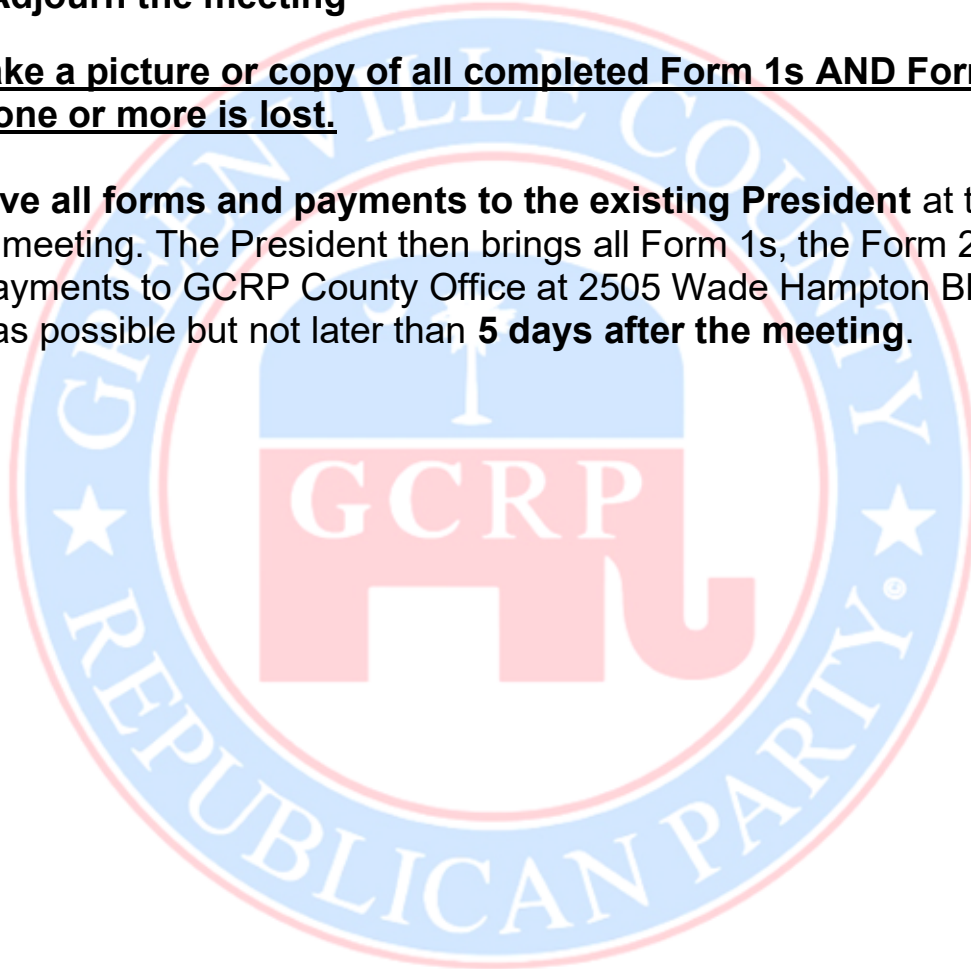

If the America FIRST Slate is approved, then your elections are complete and you can move on to any resolutions, new business, announcement, then adjourn.

If the America FIRST Slate is not approved, then you will need to hold elections for individual offices and delegate/alternate positions.

16. Thank the winners and announce that the term for newly elected officers starts immediately after the County Convention in April.
17. Announce to Precinct members that **if they wish to attend the County Convention in April**, to vote on county GOP leadership, they must check the box “I attended my precinct meeting in person” on their Form 1. There is also a small fee associated with attending. All fees are listed on the next page.
18. Precinct Members who wish to be a Candidate to the SCGOP State Convention in May 2025 must also be County Delegates and must check the designated box on Form 1 which includes the following Pledge: “I have voted in 2 of the last 3 GOP Primaries”. (State Party Rule 2-f). This will be verified by the county and state before your name is put on the ballot. Go to SCVotes.gov to check your voting record.
19. Once the election of your America FIRST Slate is complete, ask if there are any Resolutions to review and be voted on (usually there is none).
20. If none, then ask if there is any New Business (usually there is none), or Announcements.
21. After all new business has been conducted, each precinct member must **sign and date the Precinct ReOrganization Form 1**.
 - If you were elected to an office, please circle the office.
 - If you were elected as a delegate or alternate to the County Convention, please check the appropriate box.
 - This portion of the form will reflect the results of the elections held at the precinct meeting.

22. **Precinct President and Secretary must verify & sign the bottom of Form 1 and complete Precinct ReOrg Form 2.** This form should reflect the results of the elections held at the meeting (this is a final report on all business conducted during the precinct meeting).
23. **Existing treasurer collects all relevant fees** according to the fee schedule included in this packet, and notes cash, check or online payment for each attendee.
24. **Adjourn the meeting**
25. **Take a picture or copy of all completed Form 1s AND Form 2 in case one or more is lost.**
26. **Give all forms and payments to the existing President** at the end of the meeting. The President then brings all Form 1s, the Form 2 and any payments to GCRP County Office at 2505 Wade Hampton Blvd as soon as possible but not later than **5 days after the meeting.**

(11) The county chairman shall also set a date for a make-up meeting no later than five (5) days prior to the county convention for precincts that have failed to organize or re-organize or that need to conduct further business, including the ability of precincts to fulfill their delegate allotment to the county convention. The make-up meeting for all precincts shall be held in one central location in the county and shall be properly advertised. In the delegate election process for the make-up meeting, delegate positions shall be filled first from among individuals who attend the meeting in person, then by individuals whose membership is set forth in the poll list of the preceding primary election and/or those who are absent from the meeting but who have submitted the properly signed forms. No member absent from the meeting may cast a vote, but they may be voted for and considered a candidate.

RULE 2(c) as currently numbered – Modify the existing rule as follows:

(e) “All elections to a party office at all levels of organization shall be decided by a majority vote unless otherwise directed by the rules; all delegates shall be elected by plurality vote. Candidates must be a member of a precinct or convention body to be eligible for election by the body at each respective level. Candidates for party office above the precinct level, as well as for delegate to the State and National Conventions must have voted in at least two (2) of the three (3) most recent statewide Republican primaries, either in this or any previous state of residence, provided they were old enough to have done so.”

(Rationale: This clarifies that someone must be a member of a body in order for the other members of the body to elect them to any office, as well as establishing an objective minimum standard of support for the Republican Party in order to run for Party office or delegate positions to the state and/or national conventions.)

SCGOP Rule 2(f): "new" 2 of 3 Rule
Only applies to COUNTY OFFICERS
& STATE DELEGATES! **NOT Precinct Officers**
NOT County Delegates

Sample Parliamentary Procedures

- Having a prepared Slate is beneficial to having a smooth and organized meeting. Our precincts will have mostly “uncontested” officer elections, which means “no competition for each nominated position.” A few precincts, however, will have “contested elections” with multiple nominees for the same position.
- Below is the Parliamentary Procedure if you have a completed America FIRST slate. If you don't have a prepared AF Slate, the Parliamentary Procedures you need to follow for your elections can be found at the end of this document.

Election Using Previously Prepared America FIRST Slate to Elect Officers, Delegates and Alternates (Preferred Voting Process)

- **President:** Who Nominates the America FIRST Slate as written?
 - **Precinct Member A:** “I rise to nominate the America First Slate.”
 - **President:** Are there any further nominations?
 - **(If none, then) Precinct Member A:** I move that the period for nominations be closed.
 - **Precinct Member B:** I second the motion.
 - **President:** It has been moved and seconded that the nominations be closed. All those in favor of the America First Slate for Precinct officers, delegates and alternates, signify by saying ‘aye,’ and those opposed by saying ‘no.’
All those in favor? All opposed?
