Experience

Ta' Xbiex, Malta

Betsson Group

Product Design Manager

May 2023 - Present (2 year 6 months)

Built a small product design team that works the way it should, collaborative, agile, and friendly.

- Help projects deliver on time and explain why we built them that way;
- Use Maze, Hotjar, and quick tests to validate ideas fast so we move with confidence, not hunches;
- Keep growing Chroma, our component system;

Ta' Xbiex, Malta

Betsson Group

Senior UX Designer

November 2021 - May 2023 (1 year 7 months)

Landed in Malta on a Friday, started at Betsson on Monday, and by mid-month, I was rebranding a casino

- Started Chroma, our component system;
- Started slow, first quest was to rebrand a casino;
- Helped people see UX is more than wireframes, literally one slide at a time;

Bucharest, Romania

Hogarth & Ogilvy

UI/UX Designer

July 2018 - October 2021 (3 year 5 months)

As the brand book guardian for Emirates, I made sure the brand's identity was consistently represented across all platforms and media because nothing says "premium airline" like a perfectly aligned Fly Better logo;
