Satisfied Clients

"HGP helped us turnaround our operations and retain a strategic partnership that was critical to our success."

SaaS Business Owner

What We Do

HGP partners with multi-site service business leaders in logistics, facility management, and more to drive profitable growth through proven strategy and hands-on execution. From stepping back to focus on growth, to scaling operations for lasting value, we deliver results tailored to your goals.

Reasons Clients Need Our Help

- Escape burnout and operational overload
- Reverse slowing growth or shrinking margins
- Eliminate bottlenecks to scale efficiently
- Add leadership expertise to execute your vision
- Build a transferable business for lasting value

Why They Choose Us

- **Proven Results:** We combine strategy with execution, delivering measurable outcomes like 20% cost improvements and sustained double-digit growth.
- **Real Experience:** With 20+ years leading multi-site service businesses, we've been in your shoes and know the challenges.
- **Flexible Partnership:** From advisor to hands-on leader, we adapt to your needs and goals.
- **Lasting Value:** We build high-value, transferable businesses that thrive after you step back or exit.
