

"Got a LOT of potential for greatness."
Steve Lukather ~ Toto

"Very rarely, a naturally gifted musician arrives and truly knocks you for six. Isaac Holmes has a prodigious musical talent with an awe-inspiring musical gift that transcends his age. With an innate ability to weave captivating melodies and evoke raw emotions, he commands his music with a maturity and artistry that defies comprehension. He creates music effortlessly and Isaac might just be one of the most important musicians whose instinctive brilliance will illuminate the future of the music world with his boundless potential being sure to leave an indelible mark on the industry."

Brian Campbell - Grammy
Nominated Musician ~ Clinic

"Isaac Holmes is a masterful young guitarist of a new generation of musicians that is emerging with much of their mastery of their instruments in full bloom."

Rick Landers, Guitar International Magazine
