

Before

☐ **Tidy Up Personal Items.**

Please store away personal belongings like mail, laundry, dishes, and valuables. We want to focus on deep cleaning, not moving items around

☐ **Let Us Know About Special Areas**

Have a room that needs extra love? A sacred item we should not touch? Tell us ahead of time — we always clean with care and respect.

☐ **Secure Pets (If Needed)**

For everyone's comfort and safety, please secure pets in a separate area during your service, especially if they're anxious around new people or equipment.

☐ **Provide Access**

Be sure we can enter your home at the scheduled time — whether you'll be home, using a door code, or leaving a key. Clear any blocked walkways or entrances.

☐ **Remove Fragile or Sentimental Items (Optional)**

We treat your space with love, but if you have items that are especially delicate or meaningful, you may wish to move them to a safe place just in case.

After

☐ **Take A Moment To Enjoy**

Breathe in. Your space is now lighter, calmer, and cleaner. We hope you feel the shift not just in your home, but in your energy.

☐ **Let Us Know How We Did**

Your feedback helps us grow and improve. If something doesn't feel quite right, let us know within 24 hours and we'll make it right.

☐ **Maintain The Energy**

Consider light daily tidying or scheduling recurring cleanings to keep the peaceful flow going. We're happy to set up a routine that works for you.

☐ **Book Your Next Visit**

If you'd like to maintain this level of care — or add on an intentional service like closet organization or decluttering — we can help you plan ahead.

Thank you for trusting us to care for your space. We're honored to help you create a home that reflects clarity, calm, and intention.
