LOST BALL & OUT OF BOUNDS

OPTION A

- **Stroke & Distance Penalty**

RISK / REWARD

- **(RISK)** You hit your Ball in trouble again and more penalty strokes
- **(REWARD)** You hit a better shot safer and farther than Choice C

OPTION B

- Hit a **Provisional Ball** if unsure of ball location or if it will be found
- If original ball is not OB or it is found then the **provisional ball** is disallowed
- If original ball is OB or lost the **provisional ball** will become official ball in play
- **Stroke & Distance Penalty**

RISK / REWARD

- **(RISK)** You hit the Provisional Ball in trouble again and more Penalty Strokes
- **(REWARD)** You hit a better shot safer and farther than Choice C

OPTION C

- Drop ball perpendicular on fairway where ball presumed lost or went out of bounds.
 - up to 2 club lengths inside fairway edge
 - Not where it finished at rest but rather where it entered the OB area)
- Agreed location by opposing pair
- **2 Stroke Penalty**

RISK / REWARD

- **(RISK)** The loss of possible distance at the cost of the extra stroke penalty might not justify
- **(REWARD)** You are on the fairway with your prior troubles behind you

LOST BALL

- (1) Balls lost in marked (example: red stakes) or declared* hazards are penalized and played according to regular golf rules
- (2) If a player or teammate starts the 3 minute search and is unable to find their golf ball than only Option C is available to the player

OUT OF BOUNDS

- (3) Player must choose option A or B **prior** to leaving the location of their last stroke or they **must** use Option C. In other words... Once the player or teammate starts to search and investigate where the ball is they cannot turn around and go back to the original shot location. This is to keep play moving.
