

# Gringo 2D Café Token Whitepaper

Version 1.0

---

## Introduction

Gringo 2D Café is a one-of-a-kind immersive dining experience located in Vila Velha, Brazil, with its eye on global expansion. To fuel our growth and community engagement, we're introducing the **GRNG Token** — a utility-driven token designed to support the Gringo ecosystem, reward loyal customers, and empower franchise development.

---

## Vision

To revolutionize the cafe experience through a gamified and community-powered brand that blurs the line between Web3 engagement and real-world dining.

---
