Company legality is not just compliance with formalities, but rather a solid foundation for building and maintaining business integrity in the legal realm. In an era of increasingly complex regulatory dynamics, a deep understanding of legal obligations and administrative procedures is crucial for the continuity of company operations. In this way, as a company that complies with the law, we have fulfilled the requirements and permits required by our company.

OUR CERTIFIED

Certified
ISO 9001

Certified
ISO 14001

Certified
ISO 45001

We, PT TRI PANDAWA SAKTI, are proud to declare that we have successfully obtained ISO 9001:2015 certification for Quality Management Systems, ISO 14001:2015 for Environmental Management Systems, and ISO 45001:2018 for Occupational Health and Safety Management Systems. This certification is proof of our commitment to meeting the highest international standards in all aspects of our operations.

As one of the leading general contractor industries in Indonesia, we take great responsibility in ensuring that each of our projects not only meets customer expectations, but also contributes to environmental preservation and optimal work safety.

LET'S CONNECT WITH US

Closing Remarks

We, as an experienced general contractor company, are committed to providing the best solutions in the fields of Mechanical, Electrical & Civil Works, as well as building construction. With our dedication to excellence and customer satisfaction, we are ready to be a trusted partner in each of your construction projects. Thank you for the trust and opportunity you have given us. We look forward to working together to achieve mutual success.
