

Unlock Minds, Empower Decisions

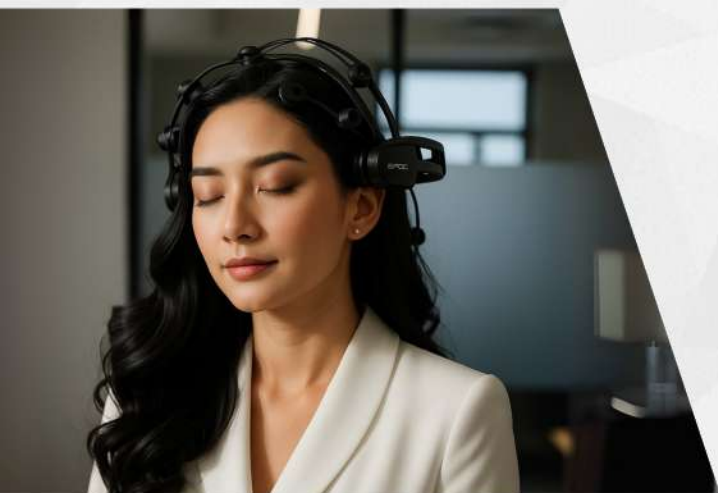

You deserve to reach your fullest potential, and otaQku is here to help you do that. Designed with you at the center, otaQku is a modern digital platform that helps you unlock and elevate your capabilities, starting from where it all begins, your brain.

Discover How otaQku Empowers You

Through the power of cutting-edge AI technology, advanced data analytics, and neuroscience based tools, otaQku helps you learn smarter, work with greater confidence, and live with more clarity and balance every day.

Where Science Meets Your Mind

Your brain deserves the best, that's why we use state-of-the-art qEEG (Quantitative EEG) technology to map your brain activity safely, precisely, and comfortably. With internationally certified equipment, otaQku ensures you receive accurate, science-backed insights and an exceptional experience at every step.

Behind every feature lies the expertise of leading professionals who ensure everything we deliver is scientifically sound, ethical, and impactful

Receive Your Profiling Report

Consult with an Expert

1

Brainwave Reading

In just 5 minutes, you'll experience our qEEG Brain Profiling, a safe and painless process that reveals how your brain works, your focus, stress levels, and mental readiness.

2

Personalized Profiling Report

You'll receive a comprehensive report based on neuroscience and psychology analysis, presented in clear, easy-to-understand language. It gives you practical insights into your strengths and areas to improve, real knowledge you can use every day.

3

Consult with an Expert

Take the next step with a one-on-one session, either with Coach Maia (Artificial Intelligence) or an otaQku Certified Coach. Together, you'll translate your brain data into meaningful strategies to enhance your performance, balance your emotions, and reach your full potential.
